SCHOOL OF PHARMACY

The Pharmacy Council of India (PCI) inspected the School of Pharmacy on 20th March 2026. The inspection team comprised Prof. Supratin Ray, Assam Central University, and Dr. N. Suresh, Pritadarshini Institute of Pharmacy, Andhra Pradesh. The inspection provided an opportunity to review the institutional academic and infrastructural facilities, teaching-learning processes and compliance with the prescribed regulatory requirements of pharmacy education.

PCI Inspection (20.03.2026)

STUDENT SKILL DEVELOPMENT PROGRAM

The School of Pharmacy, in association with the Telangana Academy for Skill and Knowledge (TASK), organized a two-day Students Skill Development Programme on “Communication Skills” on 17th and 18th April 2026. The sessions were delivered by Mr. Praveen for I B.Pharmacy students. A total of 73 students participated on 17th April and 62 students participated on 18th April 2026. The programme focused on improving students' communication abilities and developing essential interpersonal skills required for academic, professional and workplace environments

Students Skill Development Programme – Communication Skills

The School of Pharmacy and Training and Placement Cell (TPC), in association with the Telangana Academy for Skill and Knowledge (TASK), organized a three-day Students Skill Development Programme on “Medical Coding and Billing” from 12th to 14th March 2026. The programme was conducted by Dr. Naresh Dussa for 80 IV B.Pharmacy students. The training focused on familiarizing students with medical coding and billing concepts and introducing them to career opportunities in healthcare administration and medical coding. The programme enhanced students' awareness of emerging career pathways in the healthcare industry.

Medical Coding and Billing (12.03.2026 to 14.03.2026)

The School of Pharmacy, in association with the Telangana Academy for Skill and Knowledge (TASK), organized a Student Skill Development Program (SSDP) on "Aptitude and Reasoning" for II-II B.Pharm students. The session was conducted by Ms. Bhargavi, who provided guidance on developing logical thinking, analytical abilities, problem-solving techniques, and aptitude skills. A total of 72 students attended the session and actively participated in the learning activities. The program aimed to enhance students' quantitative aptitude and reasoning skills, thereby preparing them for competitive examinations, placement assessments, and future career opportunities.

Aptitude and Reasoning

AWARENESS PROGRAM

The School of Pharmacy organized an Entrepreneurship Awareness Programme titled “Own Your Pharmacy, Lead with Expertise (RXpart) on 20th April 2026. The programme featured Ms. S. Likitha and Ms. A. Jyothirmayee, successful alumni of the 2012–2016 B.Pharmacy batch, as resource persons. They shared their entrepreneurial experiences and provided insights into pharmacy ownership, business development and professional opportunities in the pharmaceutical sector. A total of 56 IV B.Pharmacy students and 71 III B.Pharmacy students participated. The programme was coordinated with the support of faculty members Dr.A.Sahithi, Dr. N. Swapna, V. Kavitha, T. Sunanda and N. Aravinda. The session motivated students to consider entrepreneurship as a viable career option and inspired them to establish and manage their own pharmacy businesses with professional expertise.

Entrepreneurship Awareness Programme – Own Your Pharmacy, Lead with Expertise (RXpart)

The School of Pharmacy, in collaboration with the Drugs Control Administration (DCA), Government of Telangana, organized "Praja Palana – Pragathi Pranalika Awareness Programme" on 9th April 2026 from 10:30 AM to 1:00 PM at the School of Pharmacy Seminar Hall. The programme was coordinated by Dr. N. Swapna and N. Aravinda. Two competitions were conducted: an essay-writing competition on "Drug Abuse – Misuse of Habit-Forming Drugs," with 53 student participants, and a quiz competition on "Branded vs. Generic Drugs," focusing on drug quality, efficacy and safeguarding public health, with 22 teams comprising 44 students. The programme aimed to create awareness about the responsible use of medicines, the dangers of drug abuse and the importance of quality and affordable medicines.

Praja Palana – Pragathi Pranalika Awareness Programme

The School of Pharmacy organized activities to mark Drugs Control and Regulatory Strengthening Day on 11th April 2026. The programme was coordinated by Dr. Krishna Mohan Chinnala and N. Aravinda, with the announcement and recognition of winners from the essay-writing and quiz competitions conducted as part of the awareness programme. In the essay-writing competition, K. Jhonsi (IV Year) secured first prize, S. Jahnavi (III Year) secured second prize and D. Chinnari (III Year) secured third prize. In the quiz competition, Kaveri and K. Manisha (IV Year) secured first prize, K. Lalith Mohan and K. Shakhar (I Year) secured second prize, and T. Meghana and P. Supriya (IV Year) secured third prize. The programme encouraged students to develop awareness of drug regulations, rational drug use, quality assurance and the role of regulatory authorities in safeguarding public health.

Drugs Control and Regulatory Strengthening Day (11.04.2026)

The School of Pharmacy celebrated National Pharmacy Education Day on 13th March 2026 by organizing a brainstorming session on “Pharmacy Education” for III and IV B.Pharmacy students. The programme provided a platform for students to exchange ideas, discuss the evolving trends in pharmaceutical education and reflect on the importance of professional competencies, research and innovation in pharmacy practice. The activity encouraged active student participation and awareness of the changing landscape of pharmacy education.

National Pharmacy Education Day (13.03.2026)

The School of Pharmacy observed World Kidney Day on 12th March 2026 to create awareness about kidney health and preventive healthcare practices. Ms. T. Sunanda delivered an informative session on "How to Keep Kidneys Healthy" for 78 IV B.Pharmacy students. The session highlighted the importance of maintaining kidney health through healthy dietary habits, adequate hydration, regular exercise and preventive health practices. The programme encouraged students to understand the importance of kidney care and health awareness.

World Kidney Day Celebrations (12.03.2026)

The School of Pharmacy observed World Tuberculosis Day on 24th March 2026 to create awareness about tuberculosis, its prevention, diagnosis and control. The programme was conducted for III B. Pharmacy students, with presentations by four speakers. CH. Sowjanya discussed National Health Programmes, B. Revanth explained the strategies of the TB Control Programme, A. Mahesh presented the pathophysiology of tuberculosis, and B. Sravani delivered an introduction to tuberculosis. The sessions provided students with valuable information about the disease, public health initiatives and preventive strategies.

World Tuberculosis Day (24.03.2026)

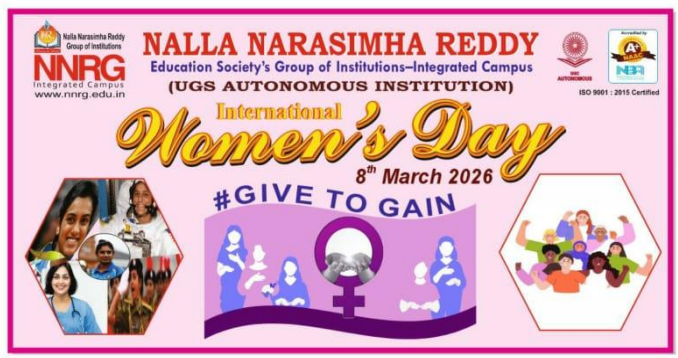
The School of Pharmacy, Nalla Narasimha Reddy Education Society's Group of Institutions, organized an awareness and promotional session on the Masters pharma National Talent Test 2026 on 26th March 2026 for B. Pharm III-year students. The session highlighted the national-level aptitude and scholarship test, its eligibility, registration process, examination pattern, and scholarship opportunities. The students were encouraged to participate in the test to assess their subject knowledge and explore scholarship benefits. The session created awareness about competitive examinations and motivated students to prepare for future academic and career opportunities.

Masters pharma National Talent Test 2026

The Women Cell of the School of Pharmacy, in association with the Institution's Innovation Council (IIC) and Industry–Institute Interaction Cell (IIIC), organized an outreach programme on "Career Guidance, Goal Setting and Innovation in Entrepreneurship" at ZPHS, Pratapsingaram Village, on 5th March 2026. The programme was coordinated by Dr. N. Swapna. The session aimed to create awareness among school students about career opportunities, the importance of setting goals and the role of innovation and entrepreneurship in shaping their future.

Outreach Programme – Career Guidance and Goal Setting (05.03.2026)

The School of Pharmacy celebrated International Women's Day on 7th March 2026 with great enthusiasm to recognize women's achievements and contributions to society. Ms. S. Likitha (2012–2016 B.Pharmacy batch), Founder and Managing Director of La Vie En Rose Café, attended the programme as the Guest of Honour and shared her entrepreneurial journey. Ms. M. Sirisha (2018–2022 B. Pharmacy batch), UGC-NET topper with 99.9% and All India Rank 2, was felicitated for her outstanding academic achievement. Academic toppers Y. Ramya Nagasri (III Year), S. Sreeja Reddy (II Year) and Pranathi (I Year) were also recognized for their academic excellence. The women faculty members, namely Dr. B. Madhavilatha, Dr. T. Madhurilatha, Dr. N. Swapna, Dr. B. Parijatha, Dr. A. Sahithi, N. Aravinda, A. Suvarna, T. Vijaya, M. Swapna, V. Kavitha and T. Akhila, were felicitated in recognition of their valuable contributions to the institution. The celebration highlighted women's empowerment, leadership and professional excellence.



International Women's Day Celebrations (07.03.2026)

The School of Pharmacy conducted the II Project Review Seminars for IV B.Pharmacy students from 7th to 10th April 2026. The seminars provided students with an opportunity to present their project progress, explain their research methodologies and discuss the outcomes of their work. The review process facilitated academic assessment and provided guidance for the successful completion of their projects.

IV B.Pharmacy Project Review – II Seminars (07.04.2026 to 10.04.2026)

The NSS Unit of NNRESGI organized a Blood Donation Camp and Eye Check-up Camp on 25th March 2026 at the Indoor Sports Complex, First Floor, in association with the Indian Red Cross Society and Lions Club of Hyderabad Golden Jubilee. The programme aimed to promote social responsibility, voluntary blood donation and awareness of eye health among students and the institutional community. The initiative reflected the institution's commitment to community service and healthcare awareness.

Blood Donation and Eye Check-up Camp (25.03.2026)

PLACEMENTS

The Training and Placement Cell of Nalla Narasimha Reddy Education Society's Group of Institutions, NNRG School of Pharmacy, organized a Pool Campus Recruitment Drive by Divi's Laboratories Ltd. for B.Pharmacy 2026 passing-out students on 23rd March 2026 (Monday) at the Seminar Hall, School of Pharmacy. The recruitment team was warmly welcomed by the institution. The programme provided an opportunity for final-year B.Pharmacy students to learn about career prospects and employment opportunities in the pharmaceutical industry. The recruitment drive served as a platform for students to explore professional opportunities and take their first step towards building a successful career in the pharmaceutical sector.

Pool Campus Recruitment Drive – Divi's Laboratories Ltd.

The School of Pharmacy, in association with the Training and Placement Cell (TPC), organized an on-campus recruitment drive on 6th April 2026 for IV B.Pharmacy students. **NISHKA Labs, Mallapur, Hyderabad**, participated as the recruiting organization. A total of 80 IV B.Pharmacy students participated in the recruitment drive. The initiative aimed to provide students with employment opportunities and exposure to the pharmaceutical industry's recruitment process.

Campus Recruitment Drive – NISHKA Labs (06.04.2026)

The Training and Placement Cell of Nalla Narasimha Reddy Education Society's Group of Institutions, NNRG School of Pharmacy, organized an On-Campus Recruitment Drive by Hetero Labs Pvt. Ltd. on 25th April 2026 for B.Pharmacy and M.Pharmacy students. The recruitment drive offered the job role of Junior Officer – Quality Control (QC) and Quality Assurance (QA), with an annual package of ₹2.84 LPA and job locations at Hyderabad and Jadcherla. The programme provided students with an opportunity to interact with the recruitment team and participate in the selection process. The drive also helped students understand industry expectations, explore career opportunities in the pharmaceutical sector, and gain valuable exposure to professional recruitment procedures.

On-Campus Recruitment Drive – Hetero Labs Pvt. Ltd.

ALUMNI CONNECT

The School of Pharmacy witnessed the launch of a business logo by its alumni entrepreneurial team comprising S. Likitha, A. Jyothirmayee, R. Akhil and Sharath on 16th April 2026. The logo was formally launched by the Dean, marking an important milestone in the team's entrepreneurial journey. The initiative highlighted the entrepreneurial achievements of the institution's alumni and encouraged students to explore innovation, business development and self-employment opportunities.

The School of Pharmacy organized Alumni Meet–2K26 on 28th March 2026, bringing together 18 alumni representing different batches from 2009–2013 to 2019–2023, along with the 2012–2014 batch. The alumni represented different stages of the institution's academic journey and included J. Mukesh, A. Venkata Ramana, M. V. Trinadh, Kranthi Kumar, M. Anusha, S. Likitha, A. Jyothirmayee, Darshini Dayala, R. Akhil, R. Siddulu, P. Bhanuchander, K. Sairupesh, K. Abhilash, M. Saritha, M. Sirisha, G. Laxmiprasanna, P. Vijayalaxmi Varsha and N. Aravinda. The meet provided a platform for alumni interaction, sharing professional experiences and strengthening the relationship between alumni and their alma mater. The event also encouraged networking and future collaboration between alumni and current students.

Alumni Meet – 2K26 (28.03.2026)

The School of Pharmacy proudly congratulated its distinguished alumni, Ms. S. Likitha and Ms. A. Jyothirmayee (2012–2016 B.Pharmacy batch), for receiving the prestigious "Best Restaurateur of the Year – Female" award at the Times Food & Nightlife Awards, Hyderabad, 2026. Their remarkable achievement in the hospitality and entrepreneurial sector brought recognition to the institution and served as an inspiration to current students to pursue their entrepreneurial aspirations.

Alumni Achievement – Best Restaurateur of the Year (01.03.2026)

Sameera Begum is a proud alumna of Nalla Narasimha Reddy Educational Society's Group of Institutions, School of Pharmacy. She has built a successful career in the pharmaceutical field and is currently working as a Research Associate at Unimrkt Healthcare. She has also served as an Ex-Placement Coordinator and holds an M.S. in Pharmacology and Toxicology from NIPER, Mohali. Her journey is an inspiration to aspiring pharmacy students and reflects the institution's commitment to academic excellence and career development.

EXTRA CURRICULAR

A memorable celebration of Farewell Day 2022–2026, filled with joy, talent, and unforgettable moments. Our students showcased their confidence and creativity, making the occasion truly special. As they step into a new chapter of life, we wish them success, happiness, and a bright future. Though the journey ends here, the memories and friendships will last forever

STUDENT ACHIEVEMENTS

The School of Pharmacy proudly announced the achievements of its students in the Graduate Pharmacy Aptitude Test (GPAT)–2026. The following students secured notable ranks:

The institution congratulated the students for their performance and appreciated their dedication and commitment to academic excellence. Their achievements serve as motivation for other students aspiring to pursue higher education and research in pharmaceutical sciences.

1. Y. Ramya Nagasri – AIR 1897 (Score: 215)
2. G. Ananya – AIR 4041 (Score: 188)
3. K. Ashok – AIR 5712 (Score: 175)

GPAT–2026 Results (07.04.2026)

Five IV B.Pharmacy students from the School of Pharmacy participated in Pharma Anveshan–2026, organized by the Pharmacy Council of India (PCI) and hosted by G. Pulla Reddy College of Pharmacy on 7th March 2026. The participating students were B. Usharani, K. Renuka, K. Akshitha, D. Shirisha and M. Nagalaxmi, who presented their work through oral presentations. The participation provided students with an opportunity to showcase their academic knowledge, research interests and presentation skills at a professional pharmacy platform.

The School of Pharmacy organized a group photograph session with IV B.Pharmacy students on 15th April 2026 to commemorate their academic journey and final year at the institution. The occasion provided an opportunity to capture memorable moments and celebrate the students' association with the department.

1. A certificate of participation was awarded to **A Swathi** for presenting a poster titled "A Review on Current Practices and Future Prospects of Gene Editing" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

2. A certificate of participation was awarded to **Adepu Akhila** for presenting a poster titled "A Review on Current Practices and Future Prospects of Gene Editing" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

3. A certificate of participation was awarded to **Alimineti Laxmi Swetha** for presenting a poster titled "Click Chemistry for Rapid Assembly of Microbial Agent" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical

Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

4. A certificate of participation was awarded to **Ananthula Thirumala** for presenting a poster titled "Click Chemistry for Rapid Assembly of Microbial Agent" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.
5. A certificate of participation was awarded to **Barror Manohar Reddy** for presenting a poster titled "Halogen Atom Transfer (XAI) Under Visible Light for New Antimicrobial Scaffolds" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.
6. A certificate of participation was awarded to **Bingi Sai Pavithra** for presenting a poster titled "Halogen Atom Transfer (XAI) Under Visible Light for New Antimicrobial Scaffolds" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.
7. A certificate of participation was awarded to **Daripally Navaneetha** for presenting a poster titled "Halogen Atom Transfer (XAI) Under Visible Light for New Antimicrobial Scaffolds" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.
8. A certificate of participation was awarded to **Dasari Pavan** for presenting a poster titled "Discovery of Chemical Drugs Using Medicinal Chemistry" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.
9. A certificate of participation was awarded to **Dharavath Sai** for presenting a poster titled "Discovery of Chemical Drugs Using Medicinal Chemistry" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.
10. A certificate of participation was awarded to **Gandichervu Surya Teja** for presenting a poster titled "Discovery of Chemical Drugs Using Medicinal Chemistry" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.
11. A certificate of participation was awarded to **Kumbha Keertana** for presenting a poster titled "Click Chemistry for Rapid Assembly of Microbial Agent" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

12. A certificate of participation was awarded to **Kummari Shiva Kumar** for presenting a poster titled "AI Used in Medicinal Chemistry" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

13. A certificate of participation was awarded to **Pokala Gangothri** for presenting a poster titled "Natural Product-Based Drug Discovery and SAR Studies" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

14. A certificate of participation was awarded to **Pola Vignesh Chandra** for presenting a poster titled "AI Used in Medicinal Chemistry" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

15. A certificate of participation was awarded to **Puthala Anil** for presenting a poster titled "AI Used in Medicinal Chemistry" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

16. A certificate of participation was awarded to **Sankoori Raghavendra** for presenting a poster titled "AI Used in Medicinal Chemistry" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

17. A certificate of participation was awarded to **Singi Reddy Deepika** for presenting a poster titled "Natural Product-Based Drug Discovery and SAR Studies" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

18. A certificate of participation was awarded to **Sudugu Navya** for presenting a poster titled "Green Chemistry: A Sustainable Approach to Chemical Innovation" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

19. A certificate of participation was awarded to **Vallabotu Nikitha** for presenting a poster titled "Green Chemistry: A Sustainable Approach to Chemical Innovation" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

20. A certificate of participation was awarded to **Kommasani Sindhu** for presenting a poster titled "Natural Product-Based Drug Discovery and SAR Studies" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical

Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

21. A certificate of participation was awarded to **P. Spandana** for presenting a poster titled "Artificial Intelligence for Accelerating Drug Discovery and Synthesis" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.
22. A certificate of participation was awarded to **K. Sri Nithya** for presenting a poster titled "Artificial Intelligence for Accelerating Drug Discovery and Synthesis" at the Two-Day National Conference on "Exploring New Dimensions in Pharmaceutical Chemistry Utilizing Organic Synthesis," held on 27th and 28th April 2026, in Hyderabad.

FACULTY ACHIEVEMENT

Dr N. Swapna has been awarded the prestigious Doctor of Philosophy (PhD) degree at the XIV Convocation of Jawaharlal Nehru Technological University Hyderabad (JNTUH), held on 09.03.2026. This remarkable achievement is a proud moment for Nalla Narasimha Reddy Educational Society's Group of Institutions, School of Pharmacy. We congratulate Dr. N. Swapna on this significant academic milestone and wish her continued success in her future endeavours.

IPA Membership:

Dr. A. Sahithi became a member of the Indian Pharmaceutical Association (IPA) on 21st April 2026.

Dr .B. Madhavilatha became a member of the Indian Pharmaceutical Association (IPA) on 21st April 2026.

Dr. B. Parijatha became a member of the Indian Pharmaceutical Association (IPA) on 21st April 2026.

Dr. N. Swapna became a member of the Indian Pharmaceutical Association (IPA) on 21st April 2026.

OUT REACH PROGRAM:

Prof. Chinnala Krishna Mohan served as a Resource Person at the School of Pharmacy, Guru Nanak Institutions Technical Campus (Autonomous), Hyderabad, from **23rd to 27th February 2026**, during the Five-Day Online Faculty/Student Development Program on "Emerging Trends in Pharmacy Education & Research (ETPER-2K26)."

Prof. Dr. Krishna Mohan Chinnala served as a Resource Person at the Marri Laxman Reddy Institute of Pharmacy, Hyderabad, Telangana, during the **Five-Day Faculty Development Program (28th April to 2nd May 2026)** on "Integration of AI and Network Pharmacy in Modern Pharmacological Sciences," organized by the Department of Pharmacology & Pharmacy Practice in association with APTI.

PATENTS

Dr. B. Parijatha was granted a patent for an invention titled *"Device for Detection of Biomarkers for Early Identification of Breast Cancer"* (Patent No. 230697) on 15.04.2026.

BOOKS AND BOOK CHAPTERS

- Dr. B. Parijatha and T. Vijaya contributed a book chapter titled *"Gut and Microbiomes, Probiotics; Health Benefits"*, published by BFC Publications in April 2026 (ISBN: 978-93-7120-637-2).
- Dr. N. Swapna authored a book titled *"Principles of Nanotechnology"*, published by Notion Press in April 2026 (ISBN: 979-8904311193).
- A. Suvarna authored a book titled *"Human Anatomy and Physiology – II"*, published by JEC Publications in March 2025 (ISBN: 978-93-6175-767-9).

RESEARCH PUBLICATIONS

- Dr. B. Parijatha published a research article titled *"Assessment of Anticancer Activity of Nigella Sativa Stem – An In Vitro and In Vivo Design"* in the International Journal of Biology, Pharmacy and Allied Sciences (ISSN: 2277-4998) on 01.04.2026.
- A. Suvarna published a review article titled *"A Review on Medicinal Plants and Bioactive Compounds Used in Treating PCOS"* in Advances in Bioresearch (ISSN: 0976-4585) on 11.03.2024.
- M. Swapna and Dr. B. Madhavi Latha co-authored a research article titled *"Synthesis and Biological Evaluation of Piperic Acid and 4-Ethylpiperic Acid β-Amino Acid Conjugates as Anticancer Agents Targeting PI3K/Akt/NF-κB Signaling in Pancreatic Cancer Cells"*, published in the International Journal of Drug Delivery Technology (ISSN: 0975-4415) on 06.03.2026.

NPTEL CERTIFICATIONS

The following faculty members successfully completed NPTEL certification courses during January–April 2026, securing 12 credits each:

- Dr. B. Parijatha completed *Training and Development*, offered by IIT Kharagpur.
- Dr. S. Rajashekhar, S. Sathish, N. Aravinda, Dr. B. Madhavi Latha, Dr. N. Swapna and Dr. A. Sahithi successfully completed *Intellectual Property*, offered by IIT Madras.
- T. Sunanda successfully completed *General Pharmacology*, offered by IIT Madras.

WORKSHOPS

Dr. Krishna Mohan Chinnala participated in a workshop titled *"Outcome-Based Education and Accreditation (OBE&A)"* held on 19.03.2025.

CONFERENCES

- Dr. B. Parijatha, N. Aravinda and T. Vijaya participated in DRAVYAKA-2, organized at Geethanjali College, from 13.03.2026 to 14.03.2026.
- Dr. Krishna Mohan Chinnala, Dr. A. Sahithi and A. Chaitanya participated in a conference titled *"Development and Validation of UPLC Method for the Simultaneous Determination of Olaparib and Bevacizumab"*, held from 24.04.2026 to 25.04.2026.

WEBINARS

- M. Bibhu Prasad participated in the webinar titled *"Smart Pharmacy Education (SPE 2026)"*, held on 9th April 2026.
