ABOUT NNRG

This Society is established in 2009 with a primary objective of educating students to prepare them for fast changing national and International requirements; to fund the needy and promote research in the area of science and technology. Accordingly, an Integrated Contiguous Campus with multi disciplinary Technical, Engineering, Pharmacy and Management programs under the banner of Nalla Narasimha Reddy Education Society's Group of Institutions is started. The campus is located at Chowdariguda Village, Ghatkesar Mandal, Ranga Reddy Dist. AP-500 088. The integrated campus consists of 3 constituent schools, viz.,

1. School of Engineering – CIVIL, CSE, ECE, EEE, ME Engg. & M.Tech
2. School of Pharmacy - B. Pharmacy
3. School of Management Sciences (M.B.A)

Civil Engineering Department

Civil engineering is a professional engineering discipline that deals with the design, construction, and maintenance of the physical and naturally built environment, including works like roads, bridges, canals, dams, and buildings. Civil engineering department has an intake of 60 students which has been fully filled through convener and management quota. All the labs are fully equipped and are well established. The various areas of teaching expertise of the faculty include Structural Engineering, Water Resource Engineering, Geotechnical Engineering, Transportation Engineering, and Engineering Geology.

ABOUT CONFERENCE:

The National Conference on Sustainable Measures for Advanced Research and Technology in Civil Engineering (**SMART CIVIL-2K16**) will be a national forum for academicians, researchers and practitioners interested in the advance of civil engineering. The

objective of **SMART CIVIL -2K16** is to strengthen the relationship between research scholars, academicians, working professionals and scientists.

The conference will focus on technical challenges, research updates and recent innovation. The conference will also have keynote addresses by eminent professionals.

THEME OF CONFERENCE:

Water Recourse Engineering
Geo-technical engineering
Structural Engineering
Transportation Engineering
Geographical Information System
Earth Sciences
Disaster Management
Other Civil Engineering Related Topics.

CALL FOR PAPERS:

Authors are cordially invited to submit full text papers for **SMART CIVIL-2K16** in IEEE journal format. The template of paper is available at www.nnrg.edu.in. Authors are requested to submit paper to the Email id given in contact.

JOURNAL PUBLICATION:

The Authors will have a dual advantage of presenting in Conference, as the peer reviewed papers will publish in **Journal on Structural Engineering** and will be available online with **Journal on Structural Engineering**

IMPORTANT DATES

Deadline for abstract: 20.04.2016
