ABOUT NNRG

Nalla Narasimha Reddy Education Society's Group of Institutions is established in 2009 with a primary objective of educating students to prepare them for fast changing National and International requirements; to fund the needy and promote research in the areas of science and technology. Accordingly, an Integrated Campus with multi disciplinary Technical, Engineering, Pharmacy and Management programs under the banner of Nalla Narasimha Reddy Education Society's Group of Institutions (NNRES) is started. The campus is located at Chowdariguda Village, Ghatkesar Mandal, Medchal District -500 088. The integrated campus consists of:

1. School of Engineering – CIVIL, CSE, ECE, EEE, MECH & M.Tech
2. School of Pharmacy - B. Pharmacy
3. School of Management Sciences (M.B.A)

Civil Engineering Department

Civil engineering is a professional engineering discipline that deals with the design, construction, and maintenance of the physical and naturally built environment, including works like roads, bridges, canals, dams, and buildings. Civil engineering department has an intake of 60 students. All the labs are fully equipped and well established. The various areas of teaching expertise of the faculty include Structural Engineering, Water Resource Engg., Geotechnical Engg., Transportation Engg., and Engineering Geology.

ABOUT CONFERENCE:

The National Conference on Sustainable Measures for Advanced Research and Technology in Civil Engineering (SMART CIVIL-2K17) will be a National forum for academicians, researchers and practitioners interested in the advances of civil

engineering. The objective of SMART CIVIL-2K17 is to strengthen the relationship between research scholars, academicians, working professionals and scientists.

The conference will focus on technical challenges, research updates and recent innovations. The conference will have keynote addresses by eminent professionals.

AREAS OF CONFERENCE:
