

## Steps for accessing IEEE Journals :

- Click on <http://ieeexplore.ieee.org>

The screenshot displays the IEEE Xplore Digital Library homepage. The browser address bar shows the URL [ieeexplore.ieee.org/Xplore/home.jsp](http://ieeexplore.ieee.org/Xplore/home.jsp). The page features a navigation bar with links for "BROWSE", "MY SETTINGS", "GET HELP", "WHAT CAN I ACCESS?", and "SUBSCRIBE". A search bar is prominently displayed with the text "Search 3,860,753 items" and a "Search" button. Below the search bar, there are tabs for "Basic Search", "Author Search", "Publication Search", "Advanced Search", and "Other Search Options". A featured article titled "IEEE Smart Grid Vision Documents provide insight into the future" is highlighted, with a description of the research and a link to view a recent webinar. The page also includes a sidebar with system information (CPU, Memory, Disk, Network), a clock, and news snippets. The Windows taskbar at the bottom shows the system tray with the date and time (12:13 PM, 12/2/2014).

- Login by using Username/Password

Or

If it's an IP based access, then it will log in automatically and Institute name appears on the screen.

The screenshot shows the IEEE Xplore Digital Library homepage. At the top, the navigation bar includes links for IEEE.org, IEEE Xplore Digital Library, IEEE-SA, IEEE Spectrum, and More Sites. On the right, there are links for Cart (0), Create Account, and Personal Sign In. The main header features the IEEE Xplore Digital Library logo on the left and the IEEE logo on the right. A white box in the center of the header displays the text: "Access provided by: Nalla Narasimha Reddy Education Society's Group of Institutions Integrated Campus" with a "» Sign Out" link below it. A white arrow points from the IEEE Xplore logo to this box. Below the header is a blue navigation bar with buttons for BROWSE, MY SETTINGS, GET HELP, and WHAT CAN I ACCESS?. The main content area has a search bar with the text "Search 3,959,583 items" and a search button. Below the search bar are buttons for Basic Search, Author Search, Publication Search, Advanced Search, and Other Search Options. A featured article titled "Diversifying Cloud Data Providers Could Decrease Storage Costs By 20%" is displayed with a "Read More" link. The Windows taskbar at the bottom shows the Start button, taskbar icons, and the system tray with the date and time (09:35 Tuesday 28-06-2016).

- Type the name of journal which you want to access in the search tab then click on search button

The screenshot shows the IEEE Xplore search results page. The browser address bar displays the URL: `ieeexplore.ieee.org/search/searchresult.jsp?newsearch=true&queryText=IEEE%20Transactions%20On%20Signal%20Processing`. The page header includes the IEEE Xplore Digital Library logo, navigation links (BROWSE, MY SETTINGS, GET HELP, WHAT CAN I ACCESS?), and a search bar containing the text "IEEE Transactions On Signal Processing". A white arrow points to the search bar. Below the search bar are buttons for "Basic Search", "Author Search", "Publication Search", "Advanced Search", and "Other Search Options". The results section shows "Displaying results 1-25 of 58,821 for IEEE Transactions On Signal Processing". Below this are filters for "Show All Results", "Per Page 25", and "Sort By Relevance". A sidebar on the left allows refining results by content type, with "Journals & Magazines" selected. The main results area displays a call for papers for "IEEE Transactions on Signal Processing - Special issue on signal processing aspects of brain imaging" from 2004, Volume 52, Issue 2. A "Standards Dictionary Terms" sidebar is visible on the right.

- Then select the journal which you want to download. then, Click on PDF option. As a result,the requested journal will automatically opens in PDF format

The screenshot shows the IEEE Xplore search results page. The search query is "IEEE Transactions On Signal Processing". The results are displayed in a list format. The first result is "Call for papers: IEEE Transactions on Signal Processing - Special issue on signal processing aspects of brain imaging". This result is highlighted in blue, and a white arrow points to it. A dropdown menu is open over this result, showing a list of terms: "signal", "transaction", "error", "object", "parameter", "buffer", "declaration", "port", "event", "instance", "method", "bus", "range", and "resolution". A "Browse >>" button is at the bottom of the dropdown. Another white arrow points to the PDF icon (87 kb) next to the first result. The second result is "Call for papers: IEEE Transactions on Signal Processing - Special issue on signal processing aspects of brain imaging" (Year: 2004, Volume: 52, Issue: 3). The third result is "IEEE Transactions on Signal Processing Supplement on Secure Media" (Year: 2004, Volume: 52, Issue: 3). The left sidebar shows "Refine results by" with filters for "Content Type" (Journals & Magazines, Early Access Articles, Conference Publications, Standards, Books & eBooks) and "Year" (Single Year, Range).
