B.Pharmacy Course: 60 seats

M.Pharmacy Specializations:

Pharmaceutics: 15 Seats

Pharmaceutical Analysis: 15 Seats

About Association of Pharmacy Professionals:

Association of Pharmacy Professional (APP) was established in 2011 with an aim of serving Pharmacy Profession in all aspects. The main objectives of APP are to provide a platform to professionals for discussing diverse aspects related to pharmacy, to promote the cause of pharmaceutical research and education, to organize conventions/ symposiums/ workshops/ guest lectures and other activities for proper understanding of Pharmaceutical education and Research.

Objective of RANPS-2017:

Nanotechnology is a new approach to problem solving and can be considered as a collection of tools and ideas which can be applied in Pharmaceutical Industry. Application of nanotechnology tools in pharmaceutical R&D is likely to result in moving the industry from 'blockbuster drug' model to 'personalized medicine'. The main objective of this Two day conference is to generate awareness on nanotechnology and to provide a platform for interaction between experts, faculty and students.
