

CAREER GUIDANCE, TRAINING & PLACEMENT CELL

To transform the student from technically qualified youth to a matured responsible resource for the Nation building a suitable guidance has to be provided to the outgoing student. To meet this and to make the outgoing student a global competitive human resource NNRG Institutions has established a career guidance, training & Placement cell.

The main aim of this cell is to make the student employable and empower to contribute his/her knowledge for the global technical advancement.

Functions of the Career Guidance, Training & Placements Cell:

- To develop effective interface with industries of interest so as to facilitate training of students.
- To inspire the faculty to update so as to include in their teaching the requirements of industry and produce industry ready graduates.
- To approach industry for industry-institute partnership wherein the consultancy cum research projects can be offered to faculty members.
- To create placement avenues in different industries for all the eligible students.
- To train the students to upgrade their skill sets in tune with the requirements of the industry.
- To arrange guest lecturers of Eminent Personalities from Industry for career counselling.
- To arrange interactive sessions with people concerned in entrepreneurship and offer all the necessary guidance to encourage young entrepreneurs.
- Provide the in house training for the students from 1st year to enable them to attend the Campus placements and Recruitment.
- Provide the information pertaining to further studies in various International and National Prominent institutes for the advanced career building.

Frequency of Committee Meeting: Once in a week (during Monday/Tues. Day of the month). In addition any extraordinary meeting will be conducted in the event of exigency.
