

GOVERNING BODY

Governance is the key activity that connects between the management, staff, students and the community. The governing body of Institution is a legal structure responsible for the overall functioning of the institute. We believe it should be effective, efficient and economical in execution of its duties. We support modern governance and proper administration and believe these should be carried out in a way that actively acknowledges diversity. Governing Body of the college meets annually in order to allocate budget in various heads and discuss various issues and aspects related to the development of the college and its academic standards.

Functions and Responsibilities:

1. To administer and monitor the teaching in the college and to determine the teaching requirement of the Institute.
2. To monitor and evaluate the teaching programmes in the college and suggest remedial measures, with the guidance and assistance of an Advisory Committee to be constituted for each programme comprising of three professional in the field. The Advisory Committee to be constituted by the Governing Body will be submitting a technical inspection report every six months on the standards of teaching and the progress of studies in the college
3. To appoint the Principal / Director, teaching and non-teaching staff on the recommendations of the Selection Committees constituted under the regulations of the University.
4. To recommend regarding the reduction/ increase of intake and programmes

5. To monitor faculty deployment and development, placement and industry-institute interaction activities in the institute/college and suggest remedial measures wherever necessary.
6. To perform such other duties and exercises as may be entrusted by the management and the University.
7. To ensure the establishment and monitoring of proper, effective and efficient systems of control and accountability
8. To monitor institutional performance and quality assurance arrangements
