Gateway to
PROFESSIONAL
EDUCATION
Nalla Narasimha Reddy Education Society’s Group of Institutions- An integrated campus was established in the year 2009 under the aegis of the Nalla Narasimha Reddy Education Society. The campus located 7 kms from Uppal Bus Depot, Hyderabad, is engaged in nurturing the young minds through academic excellence. A hub of boosting student activities, the beautifully integrated campus with School of Engineering, School of Pharmacy and School of Management Sciences has been a second home to out of students. Spacious structures, lush green grounds, State-of-The-Art laboratories, values & respect, hard work and discipline are the hallmarks of the NNRG campus.

Vision

Nalla Narasimha Reddy Education Society envisions to offer in major disciplines of Engineering, Pharmacy and Management Sciences, promote multidisciplinary researches. The society strives to improve quality of knowledge amongst young men and women in India while rendering them technologically competent and ethically strong with higher patterns of discipline.

Mission

The mission of NNRG is to advance scholarship that will best serve the nation in the 21st century. The Institute is committed to generating and disseminating knowledge. The society is committed to provide its students with education that combines rigorous academic discipline and the excitement of discovery with the support and stimulation of an intellectual and diverse campus community.

Courses at NNRG

School of Engineering
B.TECH
- Computer Science and Engineering
- Electronics and Communication Engineering
- Electrical and Electronics Engineering

Computing Facilities

NNRG Computational facilities include over 800 PCs connected to campus wide LAN and Internet through dedicated 20 Mbps leased line using uninterrupted power.

Library

NNRG is proud of its fully automated library which is spread over a floor area of about 1400 Sqm which has separate lending section, reading section, journal section and a digital library section. The library contains more than 20000 volumes of books covering about 3500 titles. Apart from the text books it is equipped with a large number of reference books, Journals and magazines. It has a collection of more than 300 video CD’s consisting of series of class room lectures delivered by the faculty of IITs. In addition to many printed national and international journals, the library also subscribes large number of e-journals.

Cultural Activities & Technical Events

NNRG strongly feels that cultural activities are essential for overall personality development of its students. The students of NNRG are therefore offered opportunities to exhibit their skills, talents and creativity in different fields. These activities rejuvenate their energy to overcome the grueling academic pursuit.

Some of these activities are E-Plus Club, Music Club, Robotics Club, Literary Club, Photography Club etc.

The Annual Technical Events “Tech Sampriti, Pharma Sampriti and Paintapara” organized by the students are part of the activities with events like Paper Presentation, Science & Technology Exhibition, Panel Discussion etc., involving participants from other Colleges and Industry. Apart from these, different Workshops, Seminars, Quiz, etc are held around the year.

Training & Placement

NNRG extends its cooperation for suitable placement of its student in the industries. Placement is considered as one of the prime responsibilities of the Institution. Training & Placement Cell in the college facilitates various activities of skills development and corporate interviews.

The Training & Placement strives to interact with the industries and explore placement opportunities for our students.
