Actions taken on Feedback

A.Y:2018-19

Feedback Collected	Actions taken
1. The parents suggested to conduct classes to improve communication skills.	1. Conducted Communication skills classes apart from subjects.
2. Industrial expert suggested to have advance topics in the syllabus that are related to environment and industry.	2. Added a new subject in the syllabus ie Disaster Management to improve the environment impact.
3. Students asked to conduct workshop on SCADA.	3. Conducted workshop on Industrial Automation using PLC & SCADA.
4. Students suggested to organize a visit to power generating station.	4. Organized an industrial visit to 400kv substation S.R.Nagar.
5. Faculty suggested to conduct a guest lecture on Recent trends.	5. Conducted a guest lecture on Recent Innovations in Transmission and Distributions.
6. Students suggested to have knowledge on model based learning.	6. Conducted Certificate programme on Solar PV Designing and Installation.
7. Alumni students suggested to have more CRT, Association activities.	7. Conducted CRT, Association activities apart from the curriculum.

FEEDBACK ACTION TAKEN REPORT

AY : (2016-17)

S. NO	FEEDBACK COLLECTED	ACTION TAKEN
1	From the feedback collected, a set of students requested to initiate a course which enhances the Subject knowledge on Land development	Vocational Education Training was conducted on Land development ✓
2	From the feedback of faculty, suggested to depute for attending QIP/FDP/ Conferences in various Reputed Institutions such as IIT/NIT in the semester break or end of academic year	Deputed 2 faculty members to VERDHAMAN Engg. College to get knowledge ✓
3	Students requested to organize a visit to RMC plant	Department had organized RMC plant Industrial visit ✓
4	Alumni Students suggested to enrich students in Total Station	Total Station workshop was conducted to get knowledge in carrying the student's academic projects ✓
5	As per Parents feedback they requested to arrange some Internship programme for students which enhances practical knowledge to Students	Department had organized internships in industries through MOU's ✓

FEEDBACK ACTION TAKEN REPORT

AY : (2016-17)

S.NO	FEEDBACK COLLECTED	ACTION TAKEN
1	From the feedback collected, a set of students requested to conduct Remedial classes for the subjects like M-I & Engineering Graphics.	Remedial classes for the subjects like M-I & Engineering Graphics.
2	From the feedback of faculty, suggested to depute for attending QIP/FDP/ Conferences in various Reputed Institutions such as IIT/NIT in the semester break or end of academic year	Faculty attended for conferences and FDP'S in reputed institutions. Faculty started registering for NPTEL online courses.
3	From the students feedback Students suggested that to conduct quiz program in C-Language.	C-Quiz conducted as part of C- Club Activity
4	As per the resolutions passed by Department Advisory Committee (DAC) members it is planned to arrange regular practise tests on basic mathematics.	Basic mathematics classes conducted.

FEEDBACK ACTION TAKEN REPORT AY 2015-16

S. No	Feedback	Action Taken
1	Students have suggested to include concepts of spectral interpretation and structural elucidation of organic compounds.	Certificate program on interpretation of organic compounds using NMR, Mass, IR and UV spectroscopy was conducted.
2	Teachers have suggested incorporating advanced spectral analysis of organic compounds.	
3	Industry experts suggested to include Hands on experience on advanced analytical instruments.	Workshop on Hands on UV Spectrometer training was conducted
4	Alumni have suggested to improve practical exposure on Animal handling	Workshop on importance of pharmacological screening in new drug discovery was conducted

S.No	FEEDBACK COLLECTED	ACTION TAKEN
1	The feedback collected from students, a set of students requested to initiate a course on, hands on experience in PCB design, and simulation design tools in Electronic circuits, which enhances the Subject knowledge to meet industry needs.	Initiation taken and Organized workshops on PCB Design and Electronic Circuits using simulation design tools
2	Faculty requested for deputing them, to attend FDP's, Conferences and Training programs being organised by various reputed Institutions such as ATIs during the semester break or at the end of the academic year	Faculty & students were deputed to have training programs at ATI, Hyderabad, to gain knowledge on advanced technologies
3	Some students requested for an industrial visit, which gives the experience of real time observations related to communication engineering.	Organized a visit to Mana TV and Dooradarshan & AAI to get advanced knowledge on Communication Engineering
4	The Alumni student Mr. B. Praveen Reddy suggested to organize an awareness program on Research Methodologies.	Department Organized a Guest Lecture on Research Methodologies.
5	Management suggested us to have MoUs with reputed industries/organisation, accordingly students will be allowed for internship training from reputed industries and advance training institutes.	Internship programs have been initiated in reputed industries to get industry oriented interaction.

Actions taken on Feedback

A.Y:2015-16

Feedback Collected	Actions taken
1. Some students suggested to have more field trips.	1. Organised an industrial visit to Bharat Heavy Electrical Limited (B.H.E.L)
2. Students suggested to have knowledge on model based learning.	2. Conducted Certificate programme on Design of Control Panels.
3. Students suggested to have knowledge on Dialux software.	3. Conducted a workshop on Illumination system design by using Dialux Software.
4. Some of the parents suggested to conduct remedial classes.	4. Conducted remedial classes as per the mid marks analysis and results.
5. Students suggested to provide more e-learning tools for the co-curricular activities.	5. Provided the e-learning tools like ICT tools, delnet, Swayam, NPTEL, elsdm.
