Respected Sir/Madam

Congratulations!

Your VMware IT Academy application is approved!

As a VMware IT Academy, you are part of a global community of educational organizations and instructors that share the primary goal of teaching students VMware technology that will lead to a rewarding career in IT.

Next Steps

Below are the next steps to get you up and running as quickly as possible. For additional details please read the IT Academy Quick Start Guide and the IT Academy website. Please note our new website will be up and running in May, 2017.

Annual Subscription

- Purchase the required VMware Academic Subscription which is US-\$250 a year for the Departmental subscription from our partner, Kivuto Solutions. They will provide access to all teaching, learning certification, and marketing resources via your own IT Academy webstore.

Important Tip Bookmark: <https://vmapss.onthehub.com/WebStore/Welcome.aspx>

Determine a lab solution for teaching vSphere course(s)

- Build your own lab with VMware provided software and setup guides on your webstore
- Partner with the Network Development Group, VMware's academic lab solution provider. Click here to evaluate VMware labs for free.

Student eBook/manual options

- Purchases eBooks and/or printed manuals from our partner Gilmore Global.

Note: Gilmore will contact you with account setup information

- Purchase eBooks from the IT Academy webstore (powered by Kivuto).
- Students purchase their own eBook directly from the IT Academy webstore.

Instructor Resources

- Teaching resources - available on your IT Academy webstore

Note: you must purchase your annual subscription from Kivuto to access

- Training options
 1. Self-prepare using free online courses and recorded Train the Trainer sessions under Teaching Resources on your webstore
 2. Attend in-person or virtual Train the Trainer classes at a Regional IT Academy

Support

- The online Quick Start Guide provides more information about using resources available on your IT Academy

6/15/2018

Nalla Narasimha Reddy Education Society's Group of Institutions Mail - Welcome to VMware IT Academy Program

webstore

- Webstore support - go to On the Hub Support
- Program support - go to IT Academy Support

Thank you for partnering with VMware. If you have questions, please do not hesitate to contact us.

Regards,

The VMware IT Academy Team
