- Special purpose facilities available (conduct of online meetings/webinars/workshops, etc.) :

NNRG is using Zoom, Microsoft Team, Google Meet to conduct online meetings, webinars and workshops.

- Facilities for conduct of classes/courses in online mode (theory & Practical)
Yes (E-Class Rooms Available)
- Innovation Cell :

The Institute Innovation Cell and Council facilitate the conduction and coordination of innovation activities at the Institute. These activities include support, mentoring, guidance, and facilitation to students approaching the Institute with their innovative ideas, competitions and

Hackathons conducted on campus and/or participated by the Institute's students, as well as Institute-level grand events such as the Intramural Innovation Competition, Convergence (Annual Technical Symposium). The Institute also has active external collaboration with J-Hub (JNTUH's Innovation Hub).

The Institute Innovation Cell has been organizing the activities to create awareness & converting ideas into the reality with the support of Bala Vikasa International Centre, Hyderabad, ATAL incubation centre, Anantapuramu, T-Hub Hyderabad and other such organizations.

These proactive collaboration efforts by the Institute help the IIC bring in the true spirit of nationwide IIC network into practicable action at the Institute and extend the benefits of the same to the stakeholders.

The Institute is recognized by IIC (Institution Innovation Council) by MHRD, Government of India and IIC has been organizing the events as per the IIA activity calendar.

XVII. List of Research Projects/Consultancy Works

- Numbers of projects carried out, funding agency, grant received

Research is the back bone of any academic institution. Research and Development is very essential for innovative experimentation of the knowledge acquired from the books. The growth of the academic institution is measured by the research oriented faculty that are working in the institution. In order to encourage and motivate the faculty and students towards the research and

development the institute has established a separate R&D consultancy and External Funded Project Cell. Encouraging Research orientation is crucial in two ways. Output of research becomes input for classroom teaching enhancing effectiveness of learning process. It provides a good opportunity to students who along with faculty can understand and dissect real life issues. The other important Area that the Institute incorporates in its Educational System is adequate interaction between Institutions and Corporate. The Faculty is encouraged to participate in International Seminars & Conferences and resultantly more creation of new knowledge. Faculty and students are motivated to write and publish research articles in various International and national journals.
