Sub: Requisition for issuing permission to conduct FDP on **"Power BI"** –reg.

***

Respected Sir,

With due reference to the subject cited above. I would like to bring to your notice that the Department of CSE is going to organize an FDP on **"Power BI"** on 17-12-2022. In this connection, I do hereby request you to instruct the concerned authority to facilitate necessary services to conduct the FDP smoothly and successfully.

Hence I humbly request you to accord the permission. I hope you could consider my sincere appeal for which I can be utmost grateful.

Yours faithfully

Report on Power BI FDP

The department had conducted Power BI FDP on 17-12-2022. Dr Atul Nagi, Professor from University of Hyderabad, had been invited to deliver his knowledge with our faculties. The FDP was attended by 33 faculty members from CSE. He started the day with basic concepts of Power BI, Analyzing and visualizing data retrieved from Excel spreadsheets or local databases, Using purpose-built dashboards to create, share, and benefit from business information etc.,. Finally he explained how to work on real-time projects.

The faculty members gained knowledge on Power BI to carry out their academic work and as well as research work.

Report on "NETWORKING" Workshop

A workshop on "**NETWORKING**" had conducted on 16-12-2022 by Mr.T.Madhu. The workshop was attended by 11 technical staff members from CSE.

The following topics were covered in the workshop

1. Network topologies
2. Compare and contrast OSI and TCP/IP models
3. Firewalls
4. Three-tier architectures
5. Configure, verify, and troubleshoot IPv4, IPv6 addressing
6. Switching
7. Routing

The technical staff members had updated their knowledge on NETWORKING to carry out the academic works in the college effectively.

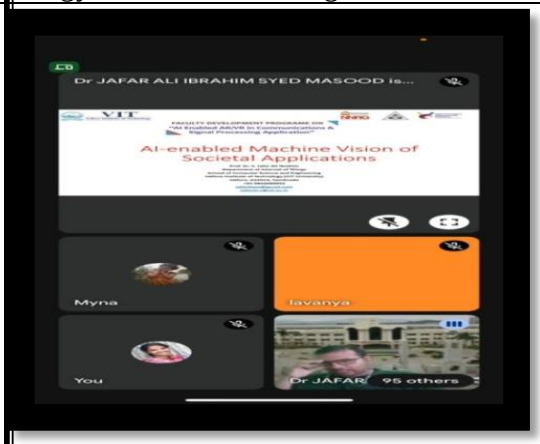
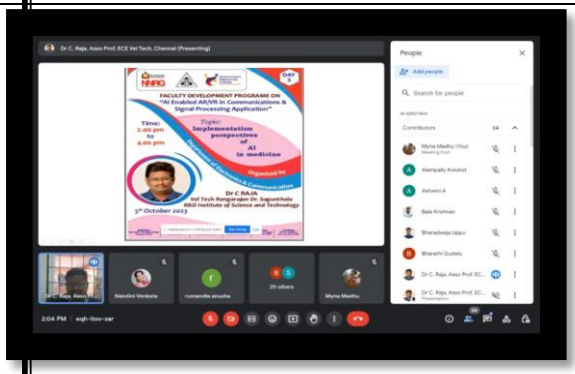
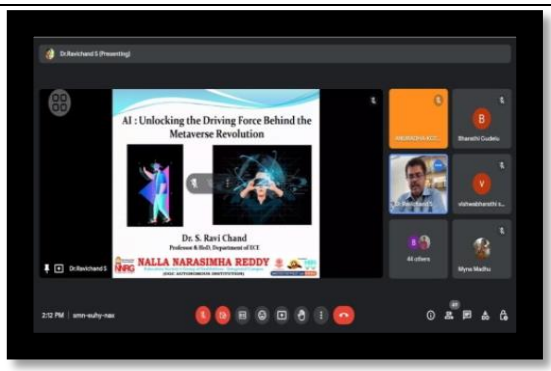
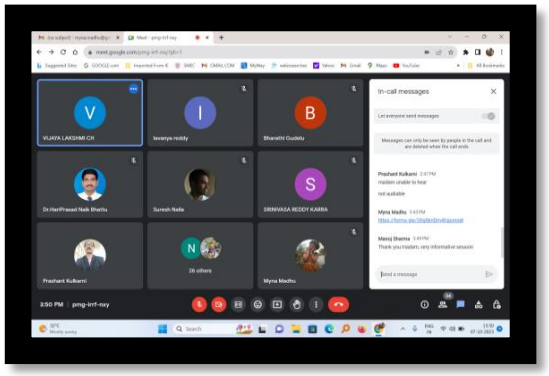
FDP on "*AI Enabled Augmented Reality/Virtual Reality in Communication & Signal Processing Applications*" (3rd October 2023 to 7th October 2023)

The Department of ECE successfully conducted five days FDP on " AI Enabled Augmented Reality/Virtual Reality in Communication & Signal Processing Applications " for Faculty from 3rd October 2023 to 7th October 2023. The FDP aimed to enhance the faculty's skills and understanding in the field of AI enabled augmented Reality & Virtual Reality in communications & signal Processing equipping them to impart knowledge to their students effectively and gave them an understanding of metaverse and incorporated technology in to its functioning.









.Electronics is the branch of study that has revolutionized the lifestyle of humanity. It is a pacesetter and a prime mover behind the transition to a technological society. The field of Electronics and Communication Engineering encompasses all areas of human life. Radio, television, telephones, computers, automobiles, office machinery & household appliances, life- saving medical equipments & space vehicles, etc., represent a mere sample in the wide spectrum of Electronics & Communication.

Department of ECE successfully conducted a session on **"Forging Your Way"** for II B.Tech students on **4th November, 2023** in association with **IETE Student Forum**. The aim of this session is to provide an insight on how to plan a successful career for students, which is used for students to know the opportunities exist in the market, planning career and improving the skills to get job in the area of ECE. The session comprises of theoretical lecture delivered by the **Dr. S. Ravichand, Head of the Department ECE,**

Delivering Hardware Languages existing in ECE

Presenting Technical Bodies of ECE

•

Explaining Diversity in ECE

Presenting Opportunities in ECE

Motivating the Students

The Department of Electronics and Communication Engineering has conducted a unique program called as “Alumni Reciprocation” event for awareness of current working society to the nurturing engineers. This event typically aims to create a platform where alumni can come together to network, share experiences, and support each other in personal and professional endeavors.

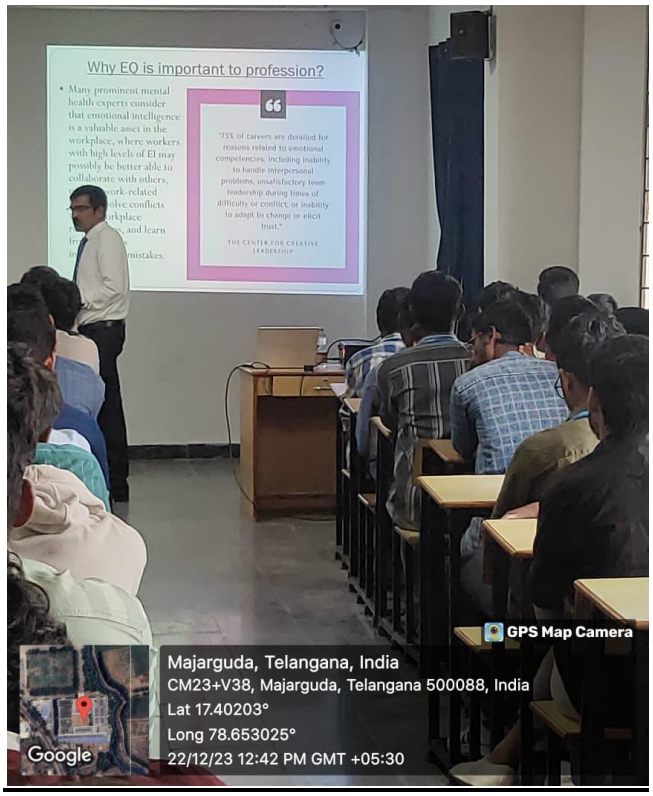
The Department of Electronics and Communication Engineering has organized a guest lecture on the topic “Role of Emotional Intelligence in Education” for awareness of students to have importance of emotional stability and regulation. This lecture covered the importance of having self motivation, Self awareness, Empathy, Self Regulation and Social Skills in professional and personal life.

During the Lecture session the Resource Person

- Discussed about the issues that youngsters face in taking emotionally stable decisions.
- About their personal experiences in the development of Emotional Intelligence.

Prof. Krishna Mohan Chinnala **M.Pharm, Ph.D, M.Sc(Psychology)** interacted with the students and gave motivational talk regarding emotional intelligence . Students asked many questions regarding decision making in real life issues and the professor shared his views.



Prof. Krishna Mohan Chinnala addressing the gathering

The Department of Electronics and Communication Engineering has organized a guest lecture on the topic "Role IPR in Creativity and Knowledge Economy" for awareness of students to have importance of Acquiring the IPR, Process of Acquisition of IPR. The lecture covered the implementation of innovative ideas of student, process of acquiring the rights and commercializing them.

During the Lecture session the Resource Person

- Discussed about the ideas of students
- About process of securing the IPR for Ideas
- Various resources which provide the assistance to the students with ideas.

Dr. Pavan Kumar Thimmaraju **M.Tech,Ph.D** , Assoc. Professor interacted with students and gave talk about IPR , its importance and process of acquiring the intellectual property rights for innovative ideas. During the session, Many of the students has asked the questions regarding IPR and knowledge economy. The resource person has answered them all in a satisfactory way.

Inaugural Programme on 11th December 2023 commenced with lighting of the Lamp

Date: 04-03-2023

From:
Dr.Krishna Mohan Chinnala
Dean - School of Pharmacy.

To
The Director,
NNRG,
Chowdariguda.

Sub: Permission to conduct A two day National level Pharma symposium "Pharma Samprathi"-2K23 –Request-Regarding.

Sir,

With reference to the above cited subject I would like to bring to your kind notice that, NNR School of Pharmacy would like to organize A two day National level Pharma symposium "Pharma Samprathi"-2K23 from 9th to 11th March, 2023 for teaching staff and students of NNRG School of pharmacy and other Pharma institutions. We have planned to invite eminent speakers as resource persons for the Programme. Also planning to conduct competitions in Technical events like Poster, Oral presentations, Pharma Quiz, Live models and Short films. Thus, I request you to kindly permit us to conduct the above mentioned program.

Thanking you,

Sincerely.
