Dear Mr. Srikanth,

I hope this message finds you well. I am writing on behalf of IVY Overseas to confirm the interaction session we discussed during our recent telephone conversation. As per our conversation, we are pleased to schedule an interaction session for the final year engineering students at Nalla Narasimha Reddy Engineering College regarding opportunities for studying abroad.

Details of the session are as follows:

Date: October 21, 2023, Time: 2:00 PM - 3:00 PM

We are excited about this collaboration and look forward to providing valuable insights and information to your students about pursuing higher education opportunities abroad. This session aims to help students understand the various programs, scholarships, and opportunities available to them.

We kindly request your support in informing the students about this session and encouraging their active participation. IVY Overseas will provide expert guidance and answer any questions or concerns the students may have.

If there are any specific arrangements or requirements, we should be aware of for the session, please let us know.

We look forward to a successful and informative session on October 19th. Thank you for your cooperation and support in providing our students with such valuable opportunities.

If you require any further information or have any questions, please feel free to contact me at 8886604199 or email to manohar@ivyoverseas.com.

Thank you for your continued collaboration, and we look forward to a productive session.

Dear Srikanth,

Greetings from Newedge.

As discussed with you, I request your permission to conduct the **Help Desk activity – Awareness on Abroad Higher Education on February 10th** at your esteemed campus from 10 AM to 4 PM.

I am sharing with you the details of our company and our services.

With over 17+ years of commendable reputation and rich experience today "New Edge" is recognized as a well-renowned consulting firm in India and Australia.

We hereby welcome "New Edge" as one of the most trusted brands for overseas education, migration, and training. With its headquarters in Sydney, Australia, and branch offices in various parts of the world, we provide counseling and advisory services to students and professionals aspiring to study and work abroad. Our most popular destinations for overseas education with direct representation to many universities are Australia, the USA, Canada, France, Germany, New Zealand, and the UK.

Our expertise lies in providing various services like profile assessment, admission processing, visa profiling, and documentation. Our 98.7% visa success rate has brought great laurels to the company in recognizing us as one of India's top professional overseas consultants. Our journey seems endless, and we seek direct tie-ups with well-reputed and professional institutions across the globe.

We want to provide awareness regarding higher education and its requirements. We can also conduct seminars based on the country and certain fields of interest as per the requirements of the management and students.

We will briefly introduce education abroad and information about the benefits of studying in various destinations.

I look forward to a healthy, professional, and long-term association with your esteemed group.

Thanks & Regards
