Alumni Meet-2024

Nalla Narasimha Reddy Group of Institutions organized “Alumni Meet-2024” on 27th January 2024 from 09-15 AM to 4:00 PM. Registrations of Alumni began from 9.15 AM and the registration process has completed for all departments at their respective desks till 11.30AM.

Alumni candidates addressed by sharing their rich experiences along with dos and don'ts with the present Engineering and Pharmacy branches of IV and III year students whereas Alumni of MBA with II and I year students in the respective departments. During their address, Alumni cleared the qualms raised by present students about the job market requirements, extra skills to be acquired, working conditions, salary hike, expectations on salary of various positions, interview skills, what managers observe while quizzing candidate and many more issues.

The interactive session has been continued in auditorium from 1.30 PM to 4:00PM far ahead Director, Dean-School of Engineering, Dean-School of Pharmacy, Dean-School of Management Sciences and all other heads of the departments listened to the alumni about the enhancements to be taken care by the departments to tie with the industry requirements. The event was started by Dr CV Krishna Reddy, the Director and continued by Dr G Janardhana Raju, the Dean School of Engineering & Convener of IIC, by welcoming the graduated students. The event helped graduated students to share their feelings and suggestions with pursuing students.

Around 306 Alumni attended the Alumni Meet 2024 and expressed their happiness to reunite and share their important thoughts, experiences and hard work. Most of the Alumni made a note that they miss their college days and after passing out they got to know the real value of the institution. Graduated students from 2013 to 2023 of Engineering and Pharmacy and 2011-13 of MBA Alumni were participated in the event and made the event a grand success.

Department	Civil	Mech.	EEE	ECE	CSE	Pharma	MBA	Total
Alumni reported	19	58	15	47	104	17	46	306

A few alumni highlighted along with the following suggestions to the NNRESGI students regarding their career:

- One must add extra circular activity and need to get weightage in resume.
- Don't get demotivated and work hard to survive in upgrading industry.
- Always be updated with technologies.
- Skills are very important than grades and percentages.

The event helped alumni to express their college life with the students which reminded their college life memories. Every alumni inspired students with their successful life and career which made students to be confident and motivated towards their career. Many graduated students from different departments participated and shared their thoughts. Around 16 Alumni members shared their experiences in the Alumni Meet – 2024.
