**ARTIFICIAL INTELLIGENCE
AND INTERNET OF THINGS
FOR BUILDING SIGNAL
PROCESSING APPLICATIONS**

Duration : 11th December to 16th December, 2023

FDP on ARTIFICIAL INTELLIGENCE AND INTERNET OF THINGS

AICTE-ATAL sponsored Faculty Development Programme was conducted from 11th December to 16th December 2023, to which 50 faculties had enrolled and of which 35 had actively participated from various Institutions of Telangana, Andhra Pradesh and Karnataka. The speakers for the 6-day FDP on “ARTIFICIAL INTELLIGENCE AND INTERNET OF THINGS FOR BUILDING SIGNAL PROCESSING APPLICATIONS” were as follows:

Dr.T. Kishore Kumar, Senior Professor-ECE, NIT Warangal

Education

- PhD awarded from JNTUH in the year 2004
- M.Tech.degree in Digital Systems and Computer Electronics from JNTUH in the year 1996
- B.Tech. - ECE degree from Sri Venkateswara University, Tirupati in the year 1992

Experience

From 1999 – till date as Professor in the Dept. of ECE, NIT Warangal

Research Interests:

- Artificial Intelligence and Machine Learning for Speech
- Image and Medical Applications
- AI in healthcare
- Adaptive signal Processing
- Advanced digital system design
- Internet of Things
- Real Time Embedded Systems

Dr.R. S.SaiRam, Director, Limon FLIP Solutions, Hyderabad.

Education

- PhD from IIITH (2019)
- M.Tech.in VLSI from JNTUK (2012)

Experience

- Director, Lemon Flip Solutions, Hyderabad
- Silicon Labs – Associate Engineering Manager
- Lead Engineer in Redpine Signals Limited
- Senior Design Engineer in Redpine Signals Limited

Dr. I. Earnest Paul, Assistant Professor-CSE, NIT Warangal.

Education

- PhD in CSE from IITH (2017)
- M.Tech.in CSE from IITK(2007)
- B.Tech. in CSE from JNTUH (2005)

Experience

- 6 years of Teaching Experience
- As an IT Manager in Morgan Stanley

Research Interests

- Visual Analytics
- Video content Analysis
- Computer vision
- Deep Learning and Soft Computing
- Machine Learning

Dr. Ravi Bolimera, Assistant Professor, NNRG, Hyderabad.

Education

- PhD in Speech Processing from NITW (2023)
- M.Tech.in Electronic Instrumentation from NITW (2012)
- B. Tech.in Electronics and Telecommunication Engineering from Vignan's Engg. college,Vadlamudi(2007)

Experience

- Assistant Professor in NNRG, Hyderabad.
- Assistant Professor in Vignan University, AP.

Research Interests

- Speech Synthesis
- Signal Processing
- Deep Learning

Dr. Kodali Prakash, Assistant Professor-ECE, NIT Warangal.

Education

- PhD from IISc Bangalore (2016)
- M.Tech.from IISc Bangalore (2010)
- B.E. in Electronics and Telecommunication Engineering from JNTU.(2007)

Experience

- Assistant Professor-ECE, NIT Warangal.
- Lecturer in RGUKT-Nuzvid, AP.
- Principle Engineer in MicroXlabs, Bangalore
- Research Associate, IISc Bangalore (2017)

Dr. C.V. Krishna Reddy, Director, NNRG, Hyderabad.

Education

- PhD in Analog CMOS VLSI Design from JNTU(2007)
- M.Tech.in Applied Electronics from PSG college of Technology(1997)
- B.Tech. in RVR JC College of Engineering (1989)

Experience

- Director at NNRG from 2011 to till date
- Dean at NNRG from 2010 to 2011
- Principal at VSM Engg. College, Hyderabad
- Associate Professor at Kakatiya Institute of Technology, Warangal.

Research Interests

- VLSI design
- Embedded Design
- Signal processing

Dr. S. Ravichand, HoD-ECE, NNRG, Hyderabad.

Education

- PhD in Wireless Sensor Network from JUIT, Solan (2016)
- M.Tech.in ECE from COEP (2005)
- B.E.in Electronics and Telecommunication Engineering form RGPV, Bhopal (2001)

Experience

- Professor and Head of ECE and Convenor R & D Innovation cell at NNRG, Hyderabad.
- Associate Professor at Swarnandhra Institute of Engg. And Technology, Narsapur. (2010-2021)
- Associate Professor, Sri Vishnu Engg. College for Women (2006-2010)

Area of Specialization

- VLSI and Embedded Systems

Dr. G. Mallikarjuna Rao, Scientist F, RCI/DRDO, Hyderabad.

Education

- PhD in Image Processing from JNTUH.
- Masters of Engg. From College of Engineering, Andhra University
- B.E.in Electronics and Telecommunication Engineering from Andhra University.

Experience

- Scientist F, RCI/DRDO, Hyderabad (19 years)

Awards Received

- JC Bhattacharyya Memorial Award.
- DRDO award for performance excellence 2011.
- DRDO award for performance excellence 2012.
- Technology Group Award.

The schedule of the workshop is given below.

The FDP inauguration was held on 11th December 2023 at 10:00 am in the Conference Hall of NNRG- School of Engineering. The Chief Guest of the program was Dr. T.Kishore Kumar (Senior Professor-ECE, NIT Warangal), and the Guest of Honors were Dr. C.V. Krishna Reddy (Director – NNRG), DR G. Janardhana Raju (Dean – School of Engineering, NNRG), Dr. T. Ravindra Reddy (Dean – MBA, NNRG), Dr. Ch. Krishna Mohan (Dean – Pharmacy, NNRG), and the coordinator of the FDP was Dr. Ravi Chand (Professor and Head – ECE, NNRG).

The FDP was commenced by welcome address delivered by Dr Ravi Chand followed by Deans of Pharmacy, MBA and Engineering addressed the gathering and shared the insights about college and the management. The chief guest of the program Dr. T.Kishore Kumar had delivered the Inaugural speech and motivated the participants. The glimpses of the Inaugural occasion are displayed below.

Feedback given by one of the Participants of the FDP

Date: 16-12-2023

I am so pleased to attend the AICTE-ATAL sponsored FDP on "AI and IOT for Building Signal Processing Applications" at NNRG-School of Engineering from 11th to 16th December 2023. I thank the Management of NNRG College and program coordinators for conducting such programme in the most emerging domain. It was really a nice experience to be part of this FDP programme and I definitely gained knowledge and motivated to do research in this field. The way of conduction of FDP, the sessions organized and speakers are so amazing. I wish them to organize many more in the coming future for the benefit of the faculties and students.

Thanks for the opportunity given to share my thoughts.

**A Report on
5 Days FDP on "AI Enabled Augmented Reality/Virtual Reality
in Communication & Signal Processing Applications"
(3rd October 2023 to 7th October 2023)**

The Department of ECE successfully conducted five days FDP on " AI Enabled Augmented Reality/Virtual Reality in Communication & Signal Processing Applications " for Faculty from 3rd October 2023 to 7th October 2023. The FDP aimed to enhance the faculty's skills and understanding in the field of AI enabled augmented Reality & Virtual Reality in communications & signal Processing equipping them to impart knowledge to their students effectively and gave them an understanding of metaverse and incorporated technology in to its functioning. This program was designed with expert speakers delivering lectures from various domains based on their expertise.

Total 415 Faculty were registered for the FDP and participation certificate to all active participants acquiring more than 75% of attendance.

Mrs. K. MADHAVI, acted as Coordinator for the five day FDP, on the day of inauguration, she has given complete outline of the program and schedule of all day with speakers.

Day-1:

Day one started with an enlightening session by Prof, Dr. Jafar Ali Ibrahim, on 'AI Powered Machine Vision Approaches for societal developments'. The presentation showcased the changes in machine vision due to the impact of AI for societal developments.

Dr Jafar Ali Ibrahim, Professor as resource person

Day-2:

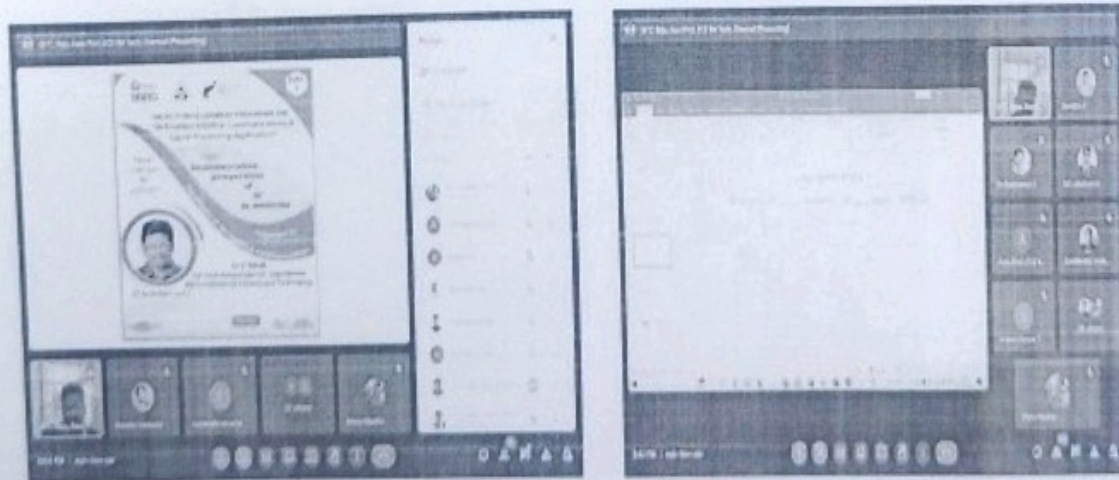

On day two the session was handled by Dr. K. Vijayalakshmi, on "Artificial Intelligence for Metaverse & Digital Future". The session has lot of information on metaverse, core technologies in the metaverse, examples and AI for signal processing.

Dr K Vijayalakshmi, Professor sharing her thoughts on AI & Digital Future

Day-3:

Dr. C. Raja, detailed his talk on 'Implementation Perspectives of AI in Medicine using Python'. The presentation showcased the changes in machine vision due to the impact of AI for medical developments.

Dr C Raja, Professor shared his expertise

Day-4:

Dr. S. Ravichand, HOD, ECE, enlightened a session on '*AI: Unlocking the Driving force behind the Metaverse Revolution*'. The presentation covered lot of information about metaverse and its use, how metaverse impacts the market, governance structure of the metaverse and technologies of metaverse.

Session by Dr.S. Ravichand, Hod of ECE

Day-5:

Dr. Ch. Vijayalaxmi, shared her knowledge on '*Future ERA of AI- Enabled AR/VR communications*'. The presentation showcased the changes in AR/VR communication and its use and significance AR/VR on online education.

Sir,

With reference to the above cited subject I would like to bring to your kind notice that, NNR School of Pharmacy would like to organize One Week Faculty Development Program on "Transforming Higher Education- National Educational Policy -2020 (THENEP-2020)" from 20th to 25th May, 2024 for teaching staff of NNRG School of pharmacy and other Pharma institutions. The program is aimed to impart knowledge on Educational policies in Pharmaceutical Sciences. Reputed speakers are planned to be invited as Resource Persons for the program. Thus, I request you to kindly permit us to conduct the above mentioned program.

Thanking you,

Sincerely.

News coverage in local news papers

Valedictory Session: After successful completion of all the 18 sessions for 30 Hours by resource persons, Valedictory event was conducted on 30th April 2024 afternoon. Feedback from the participants was taken and few have expressed their enthusiasm in attending such kind of programs in future too. They also insisted the necessity of such programs from NNRG in coming days. Dr Pavan Kumar Thimmaraju, Co-Cordinator of FDP presented the Report. Dr. Krishna Mohan Chinnala, Coordinator of the FDP gave away the concluding remarks along with vote of thanks.

43 participants from various disciplines from various colleges of ISTE members were registered for this program and attended.

Conclusion:

The FDP provided an opportunity for the faculty members to upgrade themselves. The faculty had shown full inclination towards the program. This program sparked the young faculty, so that they focus on the patents to be carried out while working in the academia. There is a possibility of technology transfer of the existing patents.
