

INSTITUTION ACADEMIC COUNCIL

Composition of Institution Academic Council:

- **Director:** Serves as the Chairperson of the council.
- **Heads of Departments:** All Heads of Departments (HODs) are members.
- **Senior Teachers:** Representatives from different teaching staff categories, selected by rotation based on seniority, are included.
- **External Experts:** A minimum number of experts are nominated by the Governing Body to represent areas like industry, commerce, education, and science.
- **University Nominees:** Three members, often professors, are nominated by the parent university.
- **Other Members:** Depending on the institution, the Controller of Examinations or other faculty members may also be appointed as a Member Secretary.

Responsibilities and Function:

- The Academic Council is the principal academic governing body of the autonomous institution.
- It is responsible for setting, regulating, and maintaining the standards of instruction, education, and examination.
- The council provides advice to the Governing Body on all academic matters.

Frequency of Meeting:

It meets at least twice a year or as frequently as needed.
