

DEPARTMENT OF MECHANICAL ENGINEERING

Date: 7/7/2014

Report on Guest lecture **"Opportunities with CAD/CAM Software"**

The Department of Mechanical Engineering, Nalla Narasimha Reddy Group of Institutions (school of Engineering) arranged a one day Guest lecture **"Opportunities with CAD/CAM Software"**

The session was started at 9:30 AM on 7/7/2014 in Mechanical seminar hall. Mr. T Pavan Kumar, HOD-ME welcomed the guest Mr. Sugunakar, CADD Centre Hyderabad.

The students and faculty members understood the Modeling with CAD systems offers a number of advantages over traditional drafting methods that use rulers, squares, and compasses and Computer models are typically three dimensional and enabling the designer to gain a fuller sense of the object. CAD systems also lend themselves to modeling cutaway drawings, in which the internal shape of a part is revealed, and to illustrating the spatial relationships among a system of parts.

A valedictory function is arranged on 7th July 2014 Inviting Dean SOE Dr Janardhan Raju in the evening session ie at 4:00 pm. Honoring the dignitaries, Vote of thanks followed by National Anthem were the highlights of Valedictory function.
