DEPARTMENT OF CIVIL ENGINEERING

**Report on Guest lecture by Mr. Naresh Kumar, Managing Director
of Autodesk on "An Awareness Program on Building Information
Modeling"**

Name of the Guest Faculty: Mr. Naresh Kumar
Name of the Institute: Autodesk, Hyderabad.
Topic: An Awareness Program on Building Information Modeling
Date of Guest Lecture: 23rd December, 2015
Time: 2:30 pm to 3:30 pm

The session started exactly at 2:30 PM in the seminar hall by inviting the guest on to the dais, followed by a brief introduction about the guest is given by the HOD-CE.

He interacted with the civil Engg. III students by asking a few questions about the difference between CAD & AUTO CAD. He explained about the importance of BIM structures. He gave a detailed presentation on Information, Modeling & Structural models. The guest told that at present BIM is mostly using in other countries such as Japan, England & in few more regions. In India also recently the usage of BIM is increasing. So, it is helpful to the students career if they acquire knowledge about BIM. The guest showed the 3D structures which are drawn using BIM.

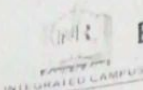

At the end, HoD thanked the Guest for addressing the gathering at NNRG campus and sharing his valuable thoughts and spending his valuable time with all the students.
