

REPORT ON GUEST LECTURE

NNRG School of Pharmacy organized a guest lecture on "Intellectual Property Rights- An Investment for Future Innovations" at Seminar hall on 30-07-2016. Mr. D. Harinarayana, CEO, Nishka Research Labs, Hyderabad, acted as resource person. Sir has exclaimed that patents and copyrights are an important means used by firms to help protect their investments in innovation. They are legal instruments that have been used by governments for centuries to encourage industrial development and economic growth, Dean School of Pharmacy Dr. Krishna Mohan Chinnala, all the staff and IV Year B.Pharm students attended the lecture.
