

REPORT ON WORKSHOP

Department of Pharmaceutics, NNR School of Pharmacy has organized a one day workshop on "Production and Evaluation of Pharmaceutical Solid Dosage Forms" using the labs of Department of Pharmaceutics on 23<sup>rd</sup> February 2017 to impart the practical knowledge of solid dosage forms, their preparation and evaluation for the B.Pharm III and IV year students. Dr. Krishna Mohan Chinnala and Dr.B.Sree Giri Prasad acted as Convener and Co-Convener respectively. Dr. C.V.Krishna Reddy, Director, NNRG inaugurated the workshop and said this type of workshops will give advanced practical training to the students on the workshop topics and also requested the faculty to give hands on training to the students on the equipment. Dr.Giri Prasad explained about the Solid Dosage forms and their production and evaluation with animations and videos in the seminar hall. Later all the faculty of Department of Pharmaceutics have explained each and every equipment used in solid dosage forms production and evaluation. The students utilized the facilities and infrastructure and got exposure at laboratory level.
