Report On

Guest Lecture on “Wireless Sensor Networks”

by

Dr. Subir kumar Sarkar

Under IETE, ISF-NNRG Professional chapter

The guest lecture was conducted by the department of E.C.E on 26th July, 2018. It was organized under the professional chapter of IETE.

As part of the activity of Innovation the department of ECE organized a guest lecture by **Dr.Subir Kumar Sarkar** on **26th July, 2018** at ECE seminar hall. The Department of E.C.E has made proper arrangements for transportation for the guest to the campus. The Department has made the necessary arrangements for the Subject Based Guest Lecture activity in the ECE seminar hall for commencement of the event in scheduled time. The III & IV B.Tech students are made to sit in the ECE seminar hall before the start of the lecture.

Dr.Subir Kumar Sarkar, Professor, Department of Electronics & Telecommunication Engineering, Jaduapur University, West Bengal was the Guest Speaker of this event and he was introduced to the gathering by Ms.G.Indira Priya Darshini, Member of IETE. The Speaker made the students to have a deep understanding of the fundamental concepts of Wireless sensor Networks and also explained how the information is exchanged between man and machine. He also briefed the various wireless sensors used in IOT and discussed many real time applications where IOT is successful and needed. He also described the need of Electronics Engineers in this domain. The lecture came to an end at 12.30 P.M.

Around 170 students got benefited by this event and they found it to be extremely informative.
