### A Report on E- Summit

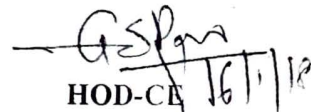

To develop the entrepreneurship in the students, there is an e-summit program going to be conducted in Vardhaman College on 21<sup>st</sup> and 22<sup>nd</sup> August 2018. The members of the program were present to explain about the session. HoD invited the hosts Mr Rudraksh Reddy, an entrepreneur and his team mates Mr Bhagath Yadav, Gowtham Kumar Reddy are present on the day to interact with the students.

Mr Rudraksh Reddy started the session by reminding his life as a student and told the change of his life after the entrepreneur and this was only due to the e-summit program in 2017. He explained about the program that E-Summit Hyderabad, as a culture of NucleusTech an annual event that is usually conducted in the month of August, has proved its worth in depleting the Chasm that exists between Entrepreneurship and students. It is the stage for future Industry leaders and Entrepreneurs to exercise their skills, putting forward the Theme, "Entrepreneurship and Innovation in the Digital Era".

The **E-summit** is aimed to foster the spirit of entrepreneurship amongst the brightest minds coming together from various places. The event intends to support young entrepreneurs by connecting them with Incubators, investors and mentors to take their ideas to the next level. Through our cross-sector panel discussions, pitch competitions, mentoring, workshops, we will attract the best minds, marquee Investors and dignitaries and this will be considered as one of the premier events for budding entrepreneurs in India. It is an exciting space for exchanging ideas, collaborating and networking, where participants will be able to learn from industry experts and explore solutions with potential partners.

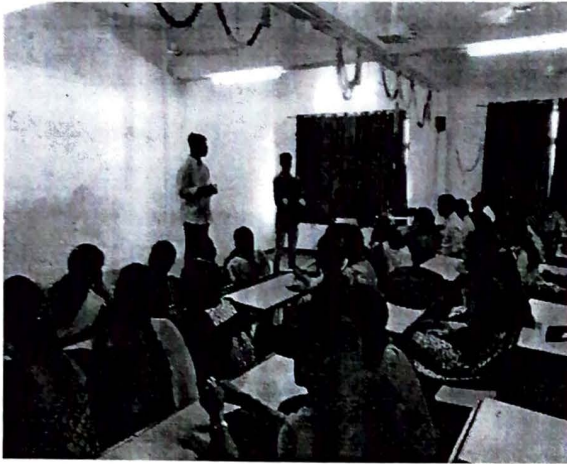

At last he concluded that, any interested students who are interested can be present on that day and share their views so that the delegates who are present on that day may get impressed to their ideas and sponsor them in near future.

HoD, thanked the hosts and explained the students again regarding the program and advised to take part in the session.
