A Report on Program
Workshop on "Additive Manufacturing"
Duration: 02-11-2018 to 03-11-2018

The department of Mechanical Engineering organized Workshop on "Additive Manufacturing" from 02-11-2018 to 03-11-2018.

Dr. G. Janardhana Raju Dean SoE &HOD Mechanical welcomed the participants. Inaugural function was held in the morning under the chairmanship of Dr. CV Krishna Reddy Director NNRG. The program commenced with prayer.

Mr.P.Srinivas Assoc.Prof.-NNRG-MED.,has participated in the workshop and presented lecture through PPTs and rapid prototyping machine(3D Printing). The faculty members and students are participated in this program. He has also explained the major parts involved in rapid prototyping and its process. 24 number of participants are attended.

The following topics are explained in the program:

- Subtractive process, additive process, formative process of manufacturing.
- 3D modelling(CAD)
- Data conversion (convert solid to facet information)
- Building of 3D model
- Post processing for finishing

A valedictory function is arranged on 25-08-2018 at 3-30 pm by inviting our Director, NNRG Dr .C .V .Krishna Reddy and faculty also participated in the program , feedback has taken from the participants, the participants appreciate the program and the suggested to increase the duration for covering subject and also distributed the certificates to the students, Vote of thanks followed by National Anthem were the highlights of the Valedictory function.

In-charge

HOD-ME

Head of the Department
Mechanical Engineering
