

Academic Year: 2019-20

Activity: Guest lecture on “Cyber Security”

Date: 14-03-2020

Consolidated Report

As per the schedule in Department Academic Plan, a guest lecture on “Cyber security” was conducted on 14-03-2020 for II CSE students. Mr. Rupesh Mittal, Head Cyber –Jagrithi programme is the resource person for the session.

The following topics were covered during the session

- What is Cyber security
- Crimes against individuals
- Crimes against organizations
- Crimes against Society
- Case Studies explaining above cases with examples.
- Prevention Measures for each case study.
- Cyber laws and punishment for the cyber crimes.
- How to proceed or access government initiatives if you are a victim of cyber crime.

STUDENTS FEEDBACK:

The speaker clearly defined and elaborated the security means, measures and preventive techniques for cyber crimes and many application software related to the topic. He has given some domain specific problems/projects to solve as an exercise for the young technocrats

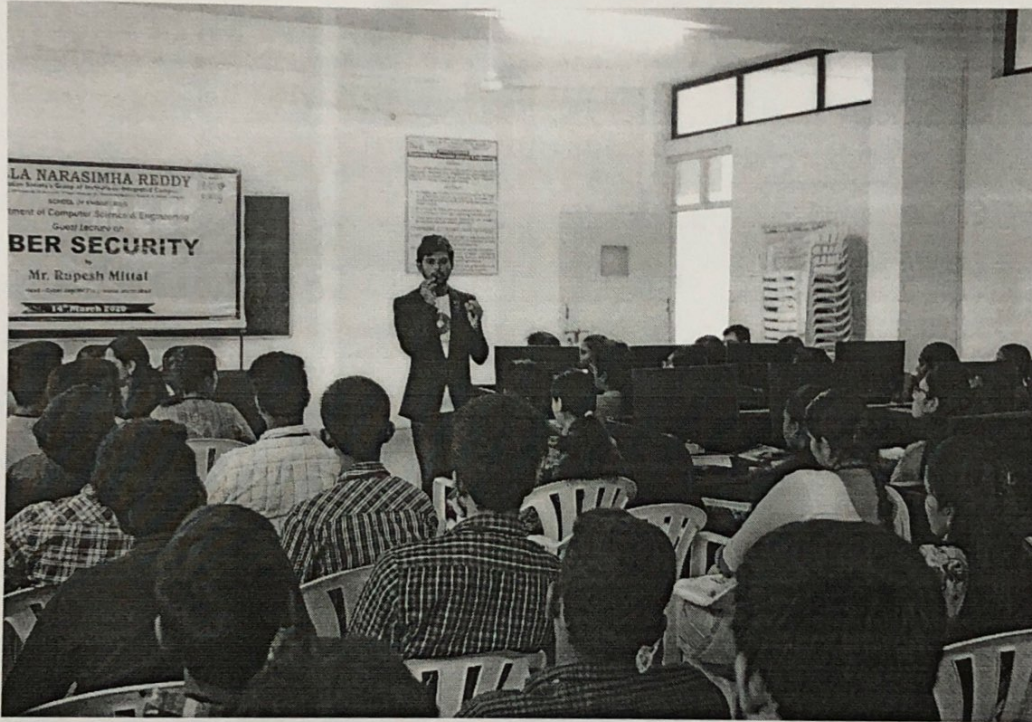

OUTCOME:

Students got the knowledge on cyber attacks and corresponding security mechanisms along with necessary application softwares with real time case studies

DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

ACTION PLAN:

More projects/problems with real time significance, which were also related to the context of National level Hackathons like Smart India Hackathon etc.
