

Report on the One Day 2<sup>nd</sup> National Conference on  
“SUSTAINABLE MEASURES FOR ADVANCED RESEARCH  
AND TECHNOLOGY IN CIVIL ENGINEERING”  
**SMART CIVIL-2K17**

**Date: 23/04/2017**

The Department of Civil Engineering in the School of Engineering of Nalla Narasimha Reddy Education Society's Group of Institutions, an Integrated campus, Chowdariguda (V), Ghatkesar (M), Ranga Reddy District, Telangana, India, has organized a National Conference on “Sustainable Measures for Advanced Research and Technology in Civil Engineering – SMART CIVIL 2K17” on 22<sup>nd</sup> April 2017 under the aegis of ISTE chapter – Indian Society for Technical Education

**About NNRG:**

Nalla Narasimha Reddy Education Society is established and registered with a primary objective of educating young men and women; to prepare them for fast changing national and international requirements; to fund the needy and promote research in the area of science and technology. Accordingly, an Integrated Contiguous Campus with multi disciplinary Technical, Engineering, Pharmacy and Management programs under the banner of Nalla Narasimha Reddy Education Society's (NNRG) Group of Institutions is started.

**About Civil Engineering Department:**

Civil Engineering Department is a professional engineering discipline, deals with design, construction and maintenance of the Physical and naturally built environment , including works like roads, bridges, canals, dams and buildings . The laboratories in the Civil Engineering Department are fully covered with sophisticated equipment. All the faculty Members in the Civil Engineering Department are highly qualified and experienced.

**About the Conference:**

The National Conference on the “Sustainable Measures for Advanced research Technology” in Civil Engineering (SMART CIVIL 2K17) is a national platform for academicians, researchers and practitioners interested in the advance of Civil Engineering. The objectives of SMART CIVIL 2K17 are to strengthen the relationship between research scholars, academicians, working professionals, and scientists. The Conference will focus on technical challenges, research updates, and recent innovation. The conference will also have keynote addressed by eminent professionals.

**Theme of the Conference:**

Water Resource Engineering , Geotechnical Engineering, Structural Engineering, Transportation Engineering, Disaster Management, and other Civil Engineering related topics etc.,

The registrations of the participants had started from 09.00 AM onwards on 22<sup>nd</sup> April 2017. The inaugural session started at 9.30 AM. Prof P. Sri Laxmi, Dept of Civil Enigneering, JNTUH was the chief Guest and Dr R. Srinivasa Kumar, Osmania University was the Guest of Honour for the conference. The Convener, Dr G. S Rao started the seeion by inviting Dr C.V. Krishna Reddy, Director, NNRESGI, Dr G. Janardhana Raju, Dean SoE on to the dais. The chief guest and guest of honour were invited by the convener and the Director welcomed the guests on to the dais with boquets.

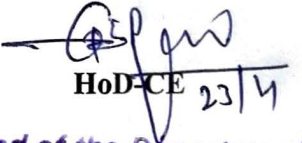

The guests spoke about the importance of research papers, advancement in research and its presentation helps the budding civil engineers in an excellent manner. The guests expressed their happiness about the theme of the National Conference which covered all the disciplines of Civil Engineering.

A total of 45 research papers were received in this regard fro various institutes across Telangana and Andhra Pradesh. Among this, few papers were presented by the students of the final year civil engineering. The papers were sent to the i- manager publications for approval and publishing in journal. Upon their acceptance and with few chages from them, they will be approved and presented in the Journal which is UGC recognized.

Prof Prathap Reddy, Dept of Civil Engineering, NNRESGI and Dr KRC Reddy, HoD, CVSR College of Engineering acted as Judges for the Presentations.

The valedictory function was held at 03.30 PM where all the delegates, management of the NNRESGI, the Judges as the chief guests were present. The overall performance of the day was explained by the Convener of the conference. The Convener told that these types of conferences are important in developing career of the research scholars.

At last, the delegates and participants gave their feedback orally, the certificates were distributed and the vote of thanks was given by Mr K. Suresh Kumar and the program ended successfully.
