

REPORT ON SEMINAR

School of Pharmacy organized a 'Seminar' on "Research Promotion Scheme and Research Methodology for Women" for B.Pharm II, III, IV year and M.Pharmacy I & II year students on 25-03-2019 at 10.00AM in NNRSOP seminar hall. The motivational Speaker Professor T. Mrunalini acted as Resource Person for the seminar. She addressed the students and faculty, that research and development activities are considered as an essential component of higher education because of their role in creating new knowledge and insight and imparting excitement and dynamism to the educational process, as well as make them need based in view of the national requirements. The objective of this scheme is to create and update the general research capabilities of the faculty members of the various Technical Institutes. The proposal should include a specific project theme with a clear statement of the objectives, details of equipments and other research facilities proposed to be acquired and the expected deliverables from the project. All the teaching staff and 53 students of B. Pharm II, III, IV year and M. Pharmacy I & II year students attended the seminar.
