Academic Year: 2018-19

Activity: Guest lecture on "Smart Engineer"   Date: 26-03-2019

Consolidated Report and Outcomes of Guest Lecture

As per the schedule in Department Academic Plan, a guest lecture on "Smart Engineer" was conducted on 25-03-2019 for IV CSE students. The resource person is Mr. Mushtaq Mohammed, Motivational Trainer.

The following topics were covered during the session

- What is Engineering?
- Motivation to take up Real world problem
- Mapping different domains in CSE with problem
- Explained the technologies associated with the domains

STUDENTS FEEDBACK:

The speaker motivated the students to carry out project and his communication skills were good enough to get motivation. He explained how to select real time problem and solve using data structures. He gave good exposure on best practices to carry out project using data structures. Overall the session was extremely interesting for the students and they got an opportunity to hear and learn from an industry expert.
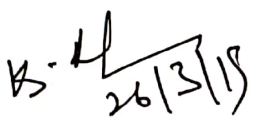

OUTCOME:

Students got exposure on project model demonstration and presentation skills.
