DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING

Academic Year: 2018-19

Activity: Expert lecture on Software Engineering   **Date: 30-07-2018**

Consolidated Report

As per the schedule in Department Academic Plan, Expert lecture on software engineering was conducted on 28-07-2018 for III CSE students. The resource person is Mr. Nivas, Head, Soft Skills Campus Connect and Infosys. The following topics were covered during the session

- What is engineering?
- What is Software Engineering?
- Analysis
- Design
- Implementation
- Testing

OUTCOME:

Students can carry out their mini and major projects and also got the skills to develop SRS.

STUDENTS FEEDBACK :

The speaker has good knowledge on Software Engineering with good communication skills. Students gained knowledge on generation of Software Requirement Specification and design documents. Students got good exposure on usage of modern tools for implementation phase and testing phase in software engineering. Overall the session was extremely interesting for the students and they got an opportunity to hear and learn from an industry expert.

ACTION PLAN:

In future, more best practices involved in carrying out the project using SDLC will be included in the expert lecture.
