

## **DEPARTMENT OF CIVIL ENGINEERING**

### **A Report on a two day National Conference**

### **“Recent Trends, Innovations in Civil Engineering and Urban Infrastructure” (RTICEUI-2K19)**

**Date: 01/04/2019**

The Department of Civil Engineering of NNRESGI had organized a two day 3<sup>rd</sup> National Conference on “Recent Trends, Innovations in Civil Engineering and Urban Infrastructure” **RTICEUI-2K19** on 29<sup>th</sup> & 30<sup>th</sup> March 2019. This conference is sponsored by Telangana State Council for Higher Education (**TSCHE**). The conference papers will be published in JASC, ISROSET, a peer reviewed UGC recognized journals.

This Conference is a common platform to faculty of all Engineering Colleges in India, Research scholars, Industrialists to share their ideas and exhibit their talents and also attracts large number of academicians and Civil Engineering professionals. The conference is immensely benefit to all the participants to interact and acquaint with their latest knowledge and share the innovative ideas in the field of CIVIL Engineering.

Dr. Dean Kumar, Director, Bureau of Industrial Consultancy Services (BICS), JNTUH was the chief guest and Dr R Srinivasa Kumar, Professor Osmania University was the Guest of Honor for the 3<sup>rd</sup> National Conference. The Convener, Dr G. S Rao started the session by inviting Dr C.V. Krishna Reddy, Director, NNRESGI, Dr G. Janardhana Raju, Dean SoE on to the dais. The chief guest and guest of honour were invited by the convener and the Director welcomed the guests on to the dais with saplings. The Chief Guests congratulated the Convener and the faculty of department of Civil Engineering for organizing this event to bring the awareness among the researchers, faculty and industrial professionals across the Nation under one roof to share their research findings and experiences for the mutual benefit. It will be an ideal platform to discuss the emerging issues being face in the field of Civil Engineering. The Director of the institute congratulated the whole Civil Engg dept for getting the sponsorship from TSCHE to conduct this program.

About 60 papers from various institutes, universities of the research scholars and students have presented their research activities in the form of ppt presentations. Among this, few papers were presented by the students of the final year civil engineering. Dr A. Mahesh Babu, Professor, Department of Civil Engineering acted as a Judge for the Presentations.

The valedictory function was held at 03.30 PM on 30<sup>th</sup> March 2019 where all the delegates, management of the NNRESGI, the Judges as the chief guests were present. The overall performance of the day was explained by the Convener of the conference. The Convener told that these types of conferences are important in developing career of the research scholars.

At last, the delegates and participants gave their feedback orally, the certificates were distributed and the vote of thanks was given by Mr S. Hemanth sai, Co-Convener of the National Conference and the program ended successfully.
