Academic Year: 2018-19

Activity: Report on Industrial visit to Ctrl S

Date: 05-11-2018

Consolidated Report and Action Taken

As per the schedule in the Department Academic plan, III CSE students went as an Industrial Visit to Ctrl S on 03-11-2018. 58 students of CSE and two faculties visited to **Ctrl S**, Hyderabad to interact with the Software Industry to understand current market scenarios, latest most demanding technologies &criteria for selection. In this visit students were very eagerly waiting for listening to industrial higher authorities.

The Technical Head of Ctrl S conducted very informative session for the students. He gave a brief introduction of Ctrl S and different department in the Ctrl S to the students. Also he motivated to the students to select their domain and area of interest. He also guided the students to concentrate the areas like Cloud Computing, Block Chain and develop coding skills which are essential in the current software market.

The session was concluded with Question- Answer session. Many of the students asked different questions to the Technical Head on current demanding technologies, market scenarios and he cleared all the doubt and myths which was in students mind about the technologies and IT sector.

The students experience was very good at Ctrl S with cooperative coordinator. Students learnt the current market scenarios, latest technologies, criteria for selection in the placements, best practices in the Ctrl S to carry out the project. The students were satisfied with visit and they expect the department should conduct workshops on latest technologies.
