

**Academic Year:** 2018-19

**Activity:** Report on Industrial visit to Infosys

**Date:** 02-02-2019

### Consolidated Report and Action Taken

As per the schedule in the Department Academic plan, II CSE students went as an Industrial Visit to Infosys on 01-02-2019. 51 students of CSE and three faculties visited to Infosys, pocharam, Hyderabad to interact with the Software Industry to understand current market scenarios, latest most demanding technologies & criteria for selection. In this visit students were very eagerly waiting for listening to industrial higher authorities.

The Technical Head of Infosys conducted very informative session for the students. He gave a brief introduction of Infosys and different department in the Infosys to the students. Also he motivated to the students to select their domain and area of interest. He also guided the students to concentrate the areas like IoT, Artificial Intelligence and develop coding skills which are essential in the current software market.

The session was concluded with Question- Answer session. Many of the students asked different questions to the Technical Head on current demanding technologies, market scenarios and he cleared all the doubt and myths which was in students mind about the technologies and IT sector.

The students experience was very good at Infosys with cooperative coordinator. Students learnt the current market scenarios, latest technologies, criteria for selection in the placements, best practices in the Infosys to carry out the project. The students were satisfied with visit and they expect the department should conduct workshops on latest technologies.

**DEPARTMENT OF COMPUTER SCIENCE & ENGINEERING**

**Action Taken:**

The student got exposed to the Real-Time working process of Infosys and the technologies used in current market. As per the feedback of students the PAC decided to conduct workshops and lectures on new trending technologies.
