15 th September, 2022 (Thursday)	Department of Electronics And Communication Engineering.	ECE Seminar Hall, Second Floor, NNRESGI.

Purpose of Program:

The Department of Electronics and Communication Engineering had long been planning to conduct an event on the occasion of “**National Engineers Day**” for awareness on importance of engineers to the society. As a part of event, the department had conducted various activities like Quiz, Elocution, Poster Presentation and Model Exhibition competitions, in which all the students of ECE department comprising B. Tech I, II, III & IV Year were part of this event. The winners of the competitions were awarded with Certificates and Prizes. The program had given the insights into one’s ability, mental thinking, career guidance and importance of Engineers towards the Society.

About 250 students from all the years of ECE had participated actively in various events conducted on 14th and 15th of September, 2022. The above mentioned events were conducted keeping in view the following aspects:

- (i) Importance of Engineers Day
- (ii) Importance of ECE towards society
- (iii) Innovations in the field of ECE

The coordinating team consisting of judges and other panel members had been constituted in order to manage and conduct the above activities smoothly.
