REPORT ON “NATIONAL SCIENCE DAY” CELEBRATION

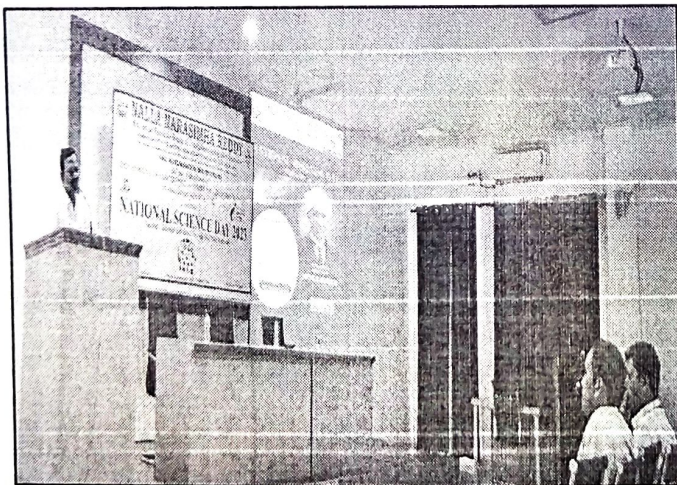

Date: 01st March, 2023

PROGRAM PARTICULARS

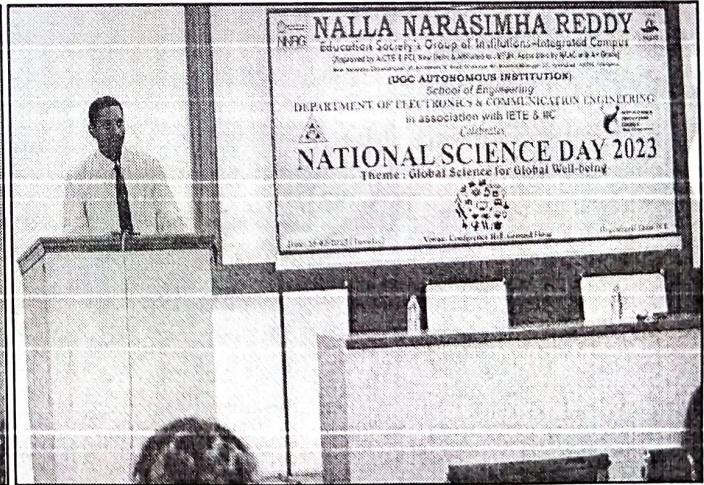

<u>Date organized</u>	<u>2023 Theme</u>	<u>Attendees</u>
28 th February, 2023 (Tuesday)	“Global Science for Global Well-being”	ECE Faculty & Event Participants

Purpose of the program:

The Department of Electronics & Communication Engineering of Nalla Narasimha Reddy Education Society’s Group of Institution, Hyderabad in association with IETE Forum and IIC had organized “**NATIONAL SCIENCE DAY 2023**” for B.Tech. (ECE) students on 28th February, 2023 (Tuesday) at the Conference Hall, Ground Floor, NNRESGI. The purpose was to commemorate the discovery of ‘RAMAN-EFFECT’ by the famous Physicist and a great inventor Sir. C.V.Raman, who was awarded with the prestigious Nobel Prize and Bharat Ratna.

Director Sir addressing the gathering

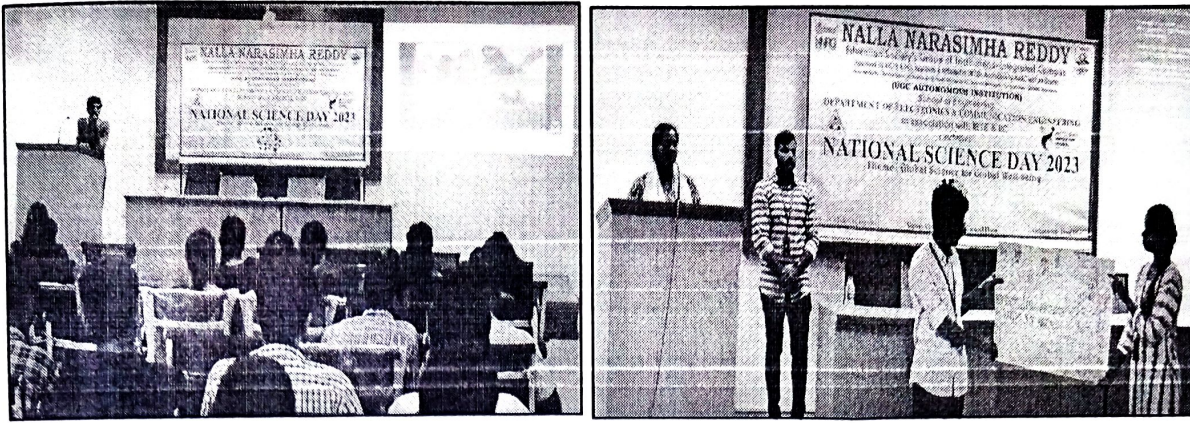

Dean Sir sharing his view & thoughts

This program was organized with an intention to create the awareness and understanding amongst students regarding the different inventions and discoveries happened and happening in the field of science & technology, which are nowadays being used in each and every sector.

As a part of program, three events had been organized to bring-out the talent and skill in the students for science. The events were: a) Creative Design & Prototyping, b) Innovative Quotes Presentation and c) Pick-n-Speak Competition. About 65 students inclusive from II, III, IV Years had enrolled and participated in the events.

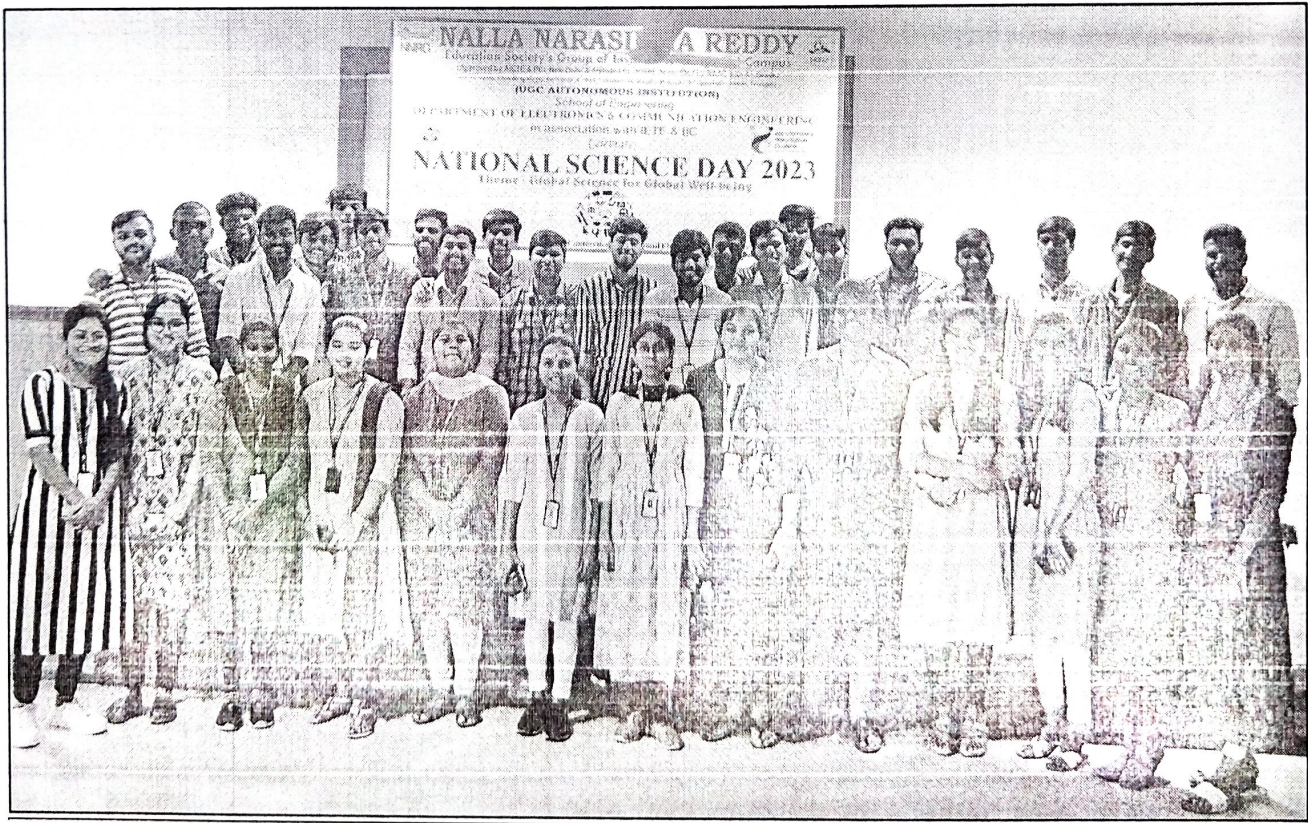

The inaugural session was held at 11am, followed with address speech from Director sir, Dean sir & HoD,ECE. After that the events were conducted in three sessions, where the concentration was on role and impact of science with varied themes on quotes, ideas and speech topics.

Participants of Creative Design (L) and Innovative Idea (R) Competitions

Program Outcome:

The program had given many insights into the subject & applications of science to one's life and society. The overall outcome of the program was good, as few students expressed their gratitude by sharing their valuable feedback. The winners of competitions were honored with Innovative and General Aptitude Books as prizes with participation certificate. The organizing team of faculty & students thanked the college management which in association with IETE & IIC had made this program to happen on success note.
