DEPARTMENT OF ELECTRONICS AND COMMUNICATION ENGINEERING

## REPORT ON “ENGINEERS DAY-2023” CELEBRATIONS

Date: 16<sup>th</sup> September, 2023

### PROGRAM PARTICULARS

Date of Event	Organized by	Venue
15 <sup>th</sup> September, 2023 (Friday)	Department of Electronics And Communication Engineering.	ECE Seminar Hall, Second Floor, NNRESGI.

### Purpose of Program:

The Department of Electronics and Communication Engineering has conducted an event on the occasion of “**National Engineers Day**” for awareness on importance of engineers to the society. As a part of event, the department had conducted various activities like Quiz, Elocution, Poster Presentation and Project Expo competitions, in which all the students of ECE department comprising of B.Tech. I & IV Year were part of this event.

About 120 students had participated actively in various events conducted on 15<sup>th</sup> of September, 2023 (Friday). The below mentioned events were conducted keeping in view the education and engineering aspects:

- (i) **Importance of Engineers Day**
- (ii) **Importance of ECE towards society**
- (iii) **Innovations in the field of ECE**

The coordinating team consisted of Faculty coordinators, Judges and student coordinators for each event for easy managing and conduction of the above activities smoothly.

The winners of the competitions were awarded with Certificates and Prizes. The program had given the insights into one’s ability, mental thinking, career guidance and importance of Engineers towards the Society.
