Purpose of Gathering:

The Department of Electronics & Communication Engineering at Nalla Narasimha Reddy Education Society's Group of Institutions, Hyderabad, in collaboration with the college management and H&S Department, organized a one-day Elite Gathering program for B. Tech II Year, II-Semester students, with participation from all sections, on Tuesday, 10th March 2026.

The program focused on the theme: ***“Women in Leadership: Shaping the Future”***.

The theme “Women in Leadership: Shaping the Future” highlights the important role women play in guiding society, organizations, and communities toward progress and innovation. It emphasizes the growing presence of women in leadership positions across various fields such as education, technology, business, politics, and social development. The theme encourages recognition of women's achievements, their ability to inspire change, and their contribution to building inclusive and sustainable futures. By promoting leadership opportunities for women, the program aims to strengthen confidence, decision-making abilities, and professional growth among women.

Through this theme, the Elite Gathering serves as a platform to celebrate women leaders, share their experiences, and motivate young women to aspire for leadership roles. It focuses on empowering women with knowledge, skills, and support networks that help them overcome challenges and break traditional barriers. The program also encourages collaboration, mentorship, and dialogue on how women can shape the future through innovation, leadership, and community impact. Overall, the theme reflects the commitment to equality, empowerment, and the advancement of women in leadership for a better and more progressive society.
