**A Report on
GATE Awareness Workshop**

Mode: Offline

Date: 28th Jan 2026

Resource Person: Mr V R D M Kaushik Agastyaraj Mr.Shiva Sai

Time: 10:00 AM onwards

Organized by: Nalla Narasimha Reddy Education Society's Group of Institutions (NNRESGI)

In Association with: ACE Engineering Academy,Hyderabad

The Nalla Narasimha Reddy Educational Society's Group of Institutions conducted GATE Awareness Workshop on 28th January 2026 in partnership with ACE Engineering Academy,Hyderabad.The workshop was arranged in ECE seminar hall at 10:00 AM. and attended by GATE aspirants of ECE department.

The session began with an introductory address by Dr. Ravi Bolimera, Head of the Department of ECE, who emphasized the importance of the Graduate Aptitude Test in Engineering (GATE) for higher education and career opportunities, and highlighted the objective of organizing the workshop. Following this, Dr. Sravan Kumar and Mr. P. K. Kulkarni, GATE Coordinators from the ECE Department, formally introduced the resource persons and invited them to share their expertise with the students. This set a strong foundation for an engaging and informative session

HYDERABAD
Leaders in IES-GATE-PSUs

Date & Time : 28th January 2026 @ 10.00 AM

The Resource person Mr V R D M Kaushik Agastyaraj from ACE Engineering Academy,Hyderabad delivered the lecture, providing a comprehensive overview of the GATE examination.Another resource person Mr.Shiva Sai provided the information about opportunities for ECE engineers in government based public sector companies.Both speakers explained enrollment process guidelines for GATE and PSU how to access internships in these companies. The gate faculty mentors played crucial role, and a Q&A session facilitates the resolution of participants.

Mr. V. R. D. M. Kaushik Agastyaraj, from ACE Engineering Academy, Hyderabad, delivered an insightful lecture providing a comprehensive overview of the GATE examination, including its structure, syllabus, preparation strategies, and enrollment process. Mr. Shiva Sai elaborated on the career opportunities available for ECE engineers in government-based Public Sector Undertakings (PSUs). He also explained the linkage between GATE scores and PSU recruitment, along with guidance on accessing internships in these organizations. The session concluded with an interactive question-and-answer segment, which enabled participants to resolve their queries and gain clarity on GATE preparation and career pathways.

Overall, the workshop was highly informative and beneficial, equipping 127 students with valuable insights into GATE, PSU opportunities, and future career prospects. The vote of thanks was delivered by Mr. P. K. Kulkarni, GATE Coordinator ECE DEPT. NNRG.
