

REPORT OF INDUSTRIAL VISIT

22-Aug-2016

Sharada G.K.V.N,
Assistant Professor,
NNRG Of Institutions.

The Head Of The Department
Department Of ECE
NNRG Of Institutions.

Dear Sir,

Sub: Report Of The One - Day Industrial Visit to Doordarshan Kendra and Doordarshan Transmitter.

On receiving the letter of permission from Doordarshan Kendra, Ramanthapur, students of IVth year and IIIrd year with two faculty members (Mrs. Sharada G.K.V.N and Mr. K.Ramesh) went on an industrial visit to Doordarshan Kendra on 19th, August, 2016. We started from the college at 9:20 a.m. and reached there at 10:30 a.m. by the bus provided by our college. A representative of Doordarshan Kendra received us at the entrance. They have divided the students into two groups for easy understanding and have shown different unit related to the Transmission and Reception. Our students have seen and were given a detailed explanation on the procedure of live telecasting, up-linking, down-linking, mixing of audio and video signals and telecasting. They have also seen a variety of dish antennas.

From here the students were taken to the Doordarshan Transmitter, Mallakpet, where they have seen different types of wave guides, power amplifier etc and were given a brief explanation about them. Mr. Bhupathi Head of Doordarshan Transmitter was very co-operative and has cleared our student's doubts as well. The visit came to an end at 3:15 p.m. we left the premises at 3:20 p.m.

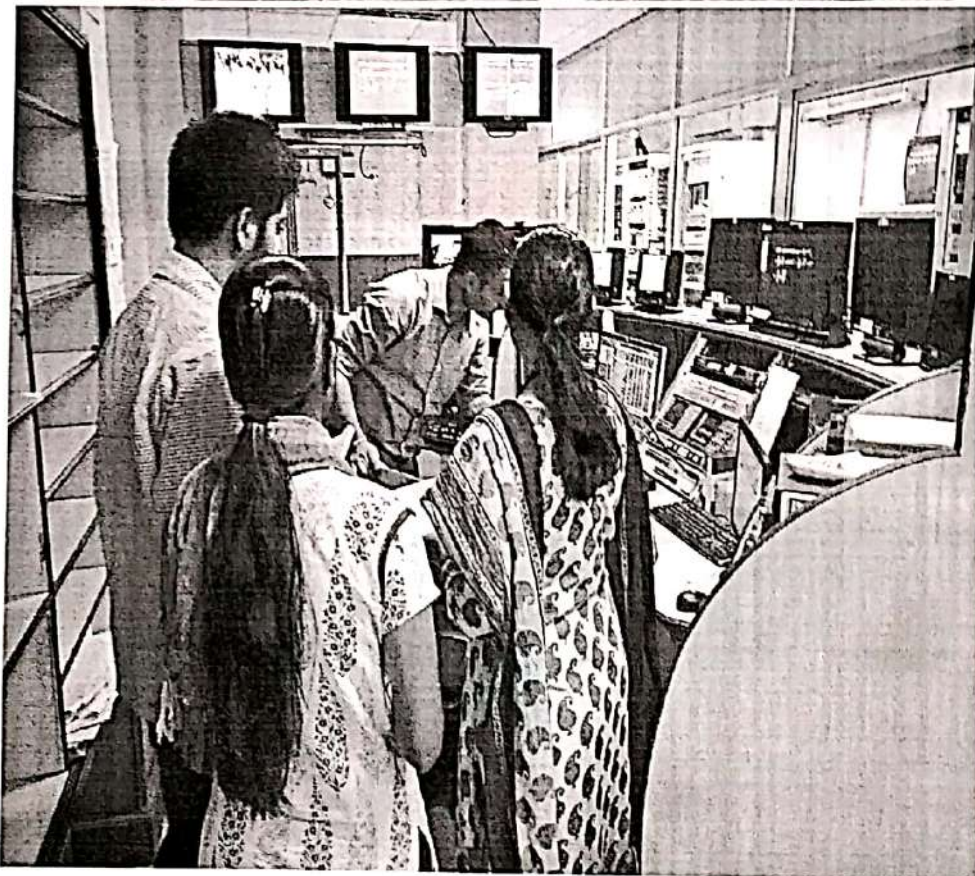

It was an Informative, Interesting and a Successful visit. The students have practically seen the transmission and reception and have learnt various new concepts. On behalf of the students, we request you to arrange more Industrial visits, so that they can bridge the gap between the Industry and Education.

We express our special thanks to The Director Sir and Dean Sir, who permitted us to go on an Industrial visit. We also extend our special thanks to The HOD Sir, ECE for making all the arrangements to make this program a successful one.

Thanking You,

Yours Sincerely,
Sharada G.K.V.N
Assistant prof, ECE.
NNRG.

Industrial visit by III Yrs and IV Yrs to DOORDARSHAN KENDRA
held on 19th August, 2016.
