

Report of industrial visit on 24-01-2015

The students of second year ECE were given opportunity to visit a leading manufacturers in the field of magnetic company on 24th January 2015 .They were taken in bus to Roshini enterprizes company located in Hyderabad.

Roshini enterprizes is a leading in the field of magnetic company. Initially they were given a flow chart of different steps involved in manufacturing magnetic ,that gave them brief review of the fastest growing electronics field company in embedded solutions. We involve in industrial products & project designing and development .Starting from concept and research. we help our customer from hardware designing, software development of prototype and bulk production.

Students received good knowledge regarding manufacturing and they have clarified many kind of doubts.
