Organizes
INDUSTRIAL VISIT
to
National Institute of Amateur Radio (NIAR)
Somajiguda, Hyderabad
B.Tech. II - B
23rd October, 2024

Objective of visit: This visit was carried out as a part of their partial fulfillment mentioned in the university curriculum. The college management had provided 1 college bus for safe & convenient travel of students and faculty members to the NIAR. The ECE faculty members Mrs.E.Suneetha, Assoc.Prof. & Mr.A.Aravind, Asst. Prof. had accompanied for the trip.

The inaugural session was held at the NIAR conference hall at 12pm, followed with brief introduction of NIAR & t's History to the gathering. After a short tea break, ONE session of lecture with PPT mode of presentation was delivered to enrich the students' knowledge on 'Importance of Armature Radio'.

Overview of visit: The Speakers who were Senior Scientists working at NIAR highlighted various aspects of them like they are nonprofit, Non-government voluntary organization (NGO) to encourage peoples participation in the field of communication & technology. Scientists over there explained that Amateur radio, also known as ham radio, what is the use of the radio frequency spectrum for purposes of non-commercial exchange of messages, wireless experimentation, self-training, private recreation, radiosport, contesting, and emergency communications.

Students visiting the Various Armature Radio models, Experiencing the data sending techniques without INTERNET

Group Picture of ECE staff & students with NIAR Officials

Visit Outcome:

The Visit had given many insights into subject & application of NIAR in Emergency situations to one's life and society. The overall outcome of the Visit was good, as few students expressed their gratitude by sharing their valuable feedback. The team of faculty & students thanked the college management & NIAR management for making this visit happen on a success note.
