

Report of Industrial visit on 22-02-2020

The department of ECE, Nalla Narasimha Reddy School of Engineering organized a one day industrial visit to AMBIKA Industries ,Moula-ali ,Hyderabad on 22nd Feb 2020 for B.Tech III year students . The visit was organized with the prior permission and guidance of our Director Dr. C.V. Krishna Reddy, Dean-SOE Dr.G.Janardhana Raju and HOD ECE Dr.Mr.M.A.Khadar Baba. The visit was accompanied by the staff member Mr.S.Madhu, Asst.Prof.

The one day visit was organized with prior permission from Mr. Satyam, Manager of Ambica Industries, Moula-ali.

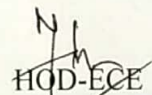

Total 58 students of ECE along with one faculty member have participated in this industrial visit.

The details of Industrial visit are as follows:

- The bus has started from NNRG at 10.00 am on 22-02-2020.
- Bus reached AMBIKA Industries, Moula-Ali at 10.50am.
- Students were divided into 6 groups.
- Each of group consists 10 members.
- The company resource persons had explained each and every batch about PCB mounting, Etching, Drilling, soldering, Testing and de-soldering.
- The students got good hands on experience.

Many students were very happy with the trip and thankful to the Ambica Industries and the college management for giving the knowledge and showing the PCB manufacturing step by step with practicality.
