

Report on Guest Lecture by M.Kantha Naik(Dy.GM,BDL)

on

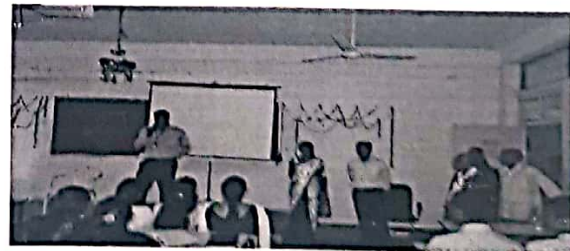

Power Network of the Electrical Systems.

Nalla Narasimha Reddy Educational Society's Group of Institutions School of Engineering, Department of Electrical & Electronics Engineering had organised a Guest Lecture on 01st February 2020. The Guest speaker, M.Kantha Naik, Deputy General Manager, Akash and Nag Missiles Production, BDL. The guest arrived at 11.00 am and he was welcomed by Mr.D.P.Ramesh, Asst. Professor Department of EEE.

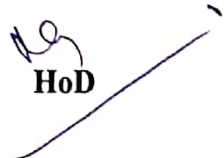

The guest was formally felicitated by Dr.Ramesh, HoD, Professor, Department of EEE with a floral Bouquet. The lecture was attended by staff and Students about 90 members. Mrs. K. Swathi, Assistant Professor, Department of EEE, introduced the speaker M.Kantha Naik, Deputy General Manager, Akash and Nag Missiles Production, BDL. He gave a brief introduction about the Electrical Power network systems. He discussed about the advantages of Power systems. He gave an new era in transmission system both in AC and DC for the students.

The lecture was concluded by vote of thanks by Mr.D.Ramesh babu Asst Professor, Department of EEE, NNRESGI. It was a very resourceful session and the students gave a very good feedback. It is good steps for students to ventilate their heart & came out from situation, after the lecture students have fresh mind they have got solution for their problems. Lecture was ended at 12.30 p.m. Every one left the hall with positive attitude towards life.

Department of Electrical & Electronics Engineering

Academic Year: 2019-20

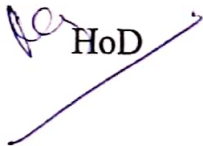

Semester: II

Activity: Guest Lecture.

Consolidated report and outcomes of the Guest lecture:

1. The guest lecture focuses on the different phases of Transmission and Distribution network.
2. The guest lecture gave the practical knowledge of Power systems analysis.
3. The session was very informative and interactive.
