

## REPORT

### WORKSHOP ON PCB DESIGN & FABRICATION

The Department of Electrical & Electronics Engineering hosted a one week Workshop on 4<sup>th</sup> April 2019, entitled “**PCB DESIGN & FABRICATION**” in association with **Armtronic Labs**, Hyderabad. The main objective of this program is to provide professional hands on training experience in PCB design & fabrication

The Inaugural function was started at 10:30 A.M. in the Seminar Hall by lightening of lamp with invocation song. Dr. C.V Krishna Reddy Garu, Director & the Chief Guest, Guest of Honor, Mr. Arjun Modi, Armtronic Labs, Resource Person, and Dr. P. Ramesh, Head, EEE Department and faculty members and students of EEE Department were present.

All the dignitaries were welcomed on to the dais by Mr. T. Sreekanth, Assistant Professor, EEE Dept.

At the outset, the program started with an overview by Dr. P. Ramesh, Professor & Head, EEE and narrated about the importance of this program. The keynote speech was delivered by Dr. C.V Krishna Reddy, Director of NNRG. He emphasized on the current trends in PCB Fabrication and Design and the current market of PBCs. He also congratulated the Department for organizing hand-on experience program i.e. PCB design & fabrication. At the end Mr. Arjun Modi, Head, Armtronic Labs addressed the students that how this workshop helps for their future careers and presented detailed PCB Design.

The program was attended by 56 students from III and IV year EEE Department.

The program was concluded by vote of thanks by Mr. T. Sreekanth, Program Coordinator.
