Report on Guest Lecture by Mr. Suba Raya Sharma
On

POWER SYSTEM SCENERIO IN THE COUNTRY AND CHALLENGES.

Nalla Narasimha Reddy Educational Society's Group of Institutions School of Engineering Department of Electrical & Electronics Engineering had organised a Guest Lecture on 14th AUGUST 2014. The Guest speaker, **Mr. Suba Raya Sharma, Retired Chief Engineer, APCPDCL.** The guest arrived at 10.00 am and he was welcomed by Mr. T.C. Subramanyam, HoD & Associate Professor, Department of EEE, Mr. G. Kalidas Babu Asst. Professor Department of EEE.

The guest was formally felicitated by Mr. T.C. Subramanyam, HoD & Associate Professor, Department of EEE with a floral Bouquet. The lecture was attended by staff and Students about 92 members. Mrs. K. Swathi, Assistant Professor, Department of EEE, introduced the speaker **Mr. Suba Raya Sharma, Retired Chief Engineer, APCPDCL.**

He delivered lecture on "status of solar energy production & its need". He explained the potential of solar energy in India, how much potential available and the research areas that can be developed under solar power system in India. He also delivered the project ideas in solar system that can be developed by the students and the possibilities of getting funds for these projects. He also shown some of the photographs of solar power plants in India and around world, solar energy project based videos and the current statistical data's regarding the solar power production and its usages

The lecture was concluded by vote of thanks by Mr. K. Swathi, Asst. Professor, and Department of EEE. **Dr. G. Janardhana Raju**, Dean School of engineering, NNRG presented memento to the chief guest and addressed the gathering. It was a very resourceful session and the students gave a very good feedback.

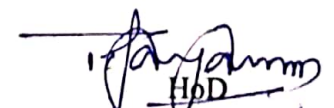

It is good steps for students to ventilate their heart & came out from situation, after the lecture students have fresh mind they have got solution for their problems. Total 50 students were attained the lecture.

Lecture was ended at 12.30 p.m. Every one left the hall with positive attitude towards life.

Academic Year:2014-15

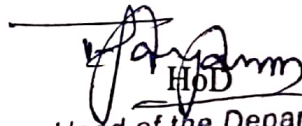

Semester:I

Activity: Guest Lecture

Consolidated report and outcomes of the Guest lecture:

- 1.The guest lecture was very informative.
2. This lecture has enlighten the students with content beyond their syllabus, in the area of power system.
3. The students were able to enhance their knowledge about power system Scenerio and the challenges facing in the present world.
