### Report on Guest lecture "Project Management"

The Department of Mechanical Engineering, Nalla Narasimha Reddy Group of Institutions (school of Engineering) arranged a one day Guest lecture "Project Management"

The session was started at 11:30 AM on 25<sup>th</sup> Nov 2016. Mr. T Pavan Kumar, HOD-ME welcomed the guest Mr Ali Hussein Kassim, CEO 360 learning solution Pvt Ltd Hyderabad.

Faculty and students understood the Develop a full understanding of the project goals, objectives and benefits before committing significant resources. This ensures that only the projects which are expected to provide benefits exceeding the investment of time and money are initiated. Ensure that the project proceeds effectively through all the essential phases, from concept through to completion. This makes sure the project is properly reviewed by the stakeholders at key stages including initiation and final acceptance. Provide a rigorous approach to defining a realistic, but still challenging, timescale and budget for completion of the project. Establish a structured approach for clearly defining roles and responsibilities for the delivery of the project and its work packages. This is critical to building commitment to the project objectives. Implement a systematic process to manage changes to the project scope or objectives. This minimizes the risks associated with change to the end-product or to the benefits for the sponsors.

A valedictory function is arranged on 25<sup>th</sup> Nov. inviting the Director Dr C V Krishna Reddy in the evening session ie at 4.30 pm. Honoring the dignitaries, Vote of thanks followed by National Anthem were the highlights of Valedictory function.
