

## DEPARTMENT OF MECHANICAL ENGINEERING

Date: 21-12- 2015

### Report on Guest lecture "**Finie Method Method/Finite Element Analysis**"

The Department of Mechanical Engineering, Nalla Narasimha Reddy Group of Institutions (school of Engineering) arranged a one day Guest lecture "**Finie Method Method/Finite Element Analysis**"

The session was started at 10:30 AM on 21-12- 2015. Mr. T Pavan Kumar, HOD-ME welcomed the guest CAD FEM TECHINOLOGES Hyderabad.

The students Understood Specific applications as applied to material sciences and engineering, it is used to calculate the strength and behavioral characteristics of a material under conditions such as stress, vibration and deflection. How to use and apply FEM and FEA to investigate large-scale and small-scale behaviors of materials. FEA software is now faster and easier to use than ever before. It is no longer available from only a few companies and comes in a variety of levels of complexity.

A valedictory function is arranged on 21<sup>st</sup> Dec 2015 Inviting the Director Dr C V Krishna Reddy and Dean SOE Dr janardhan Raju in the evening session ie at 4:00 pm. Honoring the dignitaries, Vote of thanks followed by National Anthem were the highlights of Valedictory function.

HOD-ME
