### Report on Guest lecture **"Attributes Industry Ready Engineering Graduates"**

The Department of Mechanical Engineering, Nalla Narasimha Reddy Group of Institutions (school of Engineering) arranged a one day Guest lecture **"Attributes Industry Ready Engineering Graduates"**

The session was started at 2:00 PM on 22<sup>ND</sup> July 2015. Mr. T Pavan Kumar, HOD-ME welcomed the guest Mr Prasada Rao, Win Will Technologies.

The main focus is on having the necessary technical skills and ability to carry out your job. While an engineering education will provide the foundation of this knowledge, as technology is constantly advancing you will be expected continue to learn throughout your career. Also concentrated on communication, both in writing and orally. Focus on your writing skills, consider developing a competency in a second language and also develop your public speaking skills. A good communicator has influence and most importantly, gets noticed

A valedictory function is arranged on 22<sup>nd</sup> July 2015 Inviting the Director Dr C V Krishna Reddy in the evening session ie at 5:00 pm. Honoring the dignitaries, Vote of thanks followed by National Anthem were the highlights of Valedictory function.
