Report on Industrial Visit to Dolphin Foods India Ltd

The School of Management Sciences has organized a half day industrial visit to “**Dolphin Foods India Ltd**”, located at Brahmanpally, RR District on 11th June 2022 (Saturday) for MBA I & II year students to show them the process of chocolate making. The company is into making of chocolates with different flavors and brands. 40 students and 2 faculty members visited the unit and got to understand the manufacturing practices adopted there. The students are enriched with the application of their theoretical knowledge to various operational practices of a business.

The students moved from the college at 10 AM and reached the unit by 11 AM. They were received by the concerned personnel and were briefed about the company and their operations, the brands of chocolates produced by them and the marketing activities taken up by them.

The production manager has explained and shown the chocolate making process. Students spent two hours in the unit by going through the entire production process. The students were very happy with the visit as they acquired an outlook of chocolate making process and other operations.

The faculty and students after thanking the management and HR personnel returned back to the college by 2.30PM.
