Report on Industrial Visit - INFOSYS-SEZ Campus, Pocharam, Hyderabad.

Date: 24th December, 2024

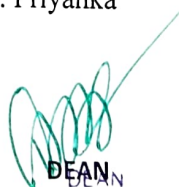

The School of Management Sciences in association with with Training and placement Cell has organized one-day Industrial visit to **INFOSYS-SEZ Campus, Pocharam village, Hyderabad, Telangana** for I MBA I Semester Students on 24th December, 2024 for the academic year 2024-25. INFOSYS SEZ Campus has an excellent opportunity for our students to get practical exposure to the working environment of the India's leading IT companies. The introduction was delivered by Ms. Manasa, behavioral consultant conveyed information about Infosys Ltd. and its recruitment process. She also spoke about the current IT trends & skills required to get hired by companies. After the session, the learners took a tour around the Infosys Campus to see the workstations and facilities. Students had the opportunity to interact with industry professionals, which enhanced their understanding of the expectations and demands of the IT industry. The visit also emphasized the importance of soft skills, work ethics, and continuous learning in a professional setting. The objective of the industrial visit is to enhance the practical stimulation and help students gain first – hand information regarding functioning of the industry, which presents the students with opportunities to plan, organize & engage in active learning experience both inside and outside the classroom.

A total of 56 students I year I Semester MBA were attended the visit accompanied by two faculty members Dr. P Meena Kumari and Mrs. A SriDivya guiding students about the visit started at 9:30 A M in the college and reached the facility by 10:00 A M. The location of the Institute was very beautiful that supported the environmental harmony with the institute erection. There was a lot to learn about in the institute which we can't cover in one day. The greenery and the beauty of the weather there was enough for us to have a wish to gain and acquire skills to work with zeal. Post Lunch students had the opportunity of Campus Tour, various blocks in the campus, visit to solar panel system where they are producing solar energy, self-sustained cooling building Immersion. The faculty and students thanked the concerned Personnel and returned to the college by 3:30 P M.
