**Report on Industrial Visit to Mother Dairy**

The School of Management Sciences has organized one day industrial visit to “**Mother Dairy (NARMUL), Milk Processing Unit**” located at Kuntloor, Hyderabad on 9<sup>th</sup> January 2024 (Tuesday) for MBA I and II Year students. The purpose of the visit is to enrich the students with the processing activities taken up at the unit. The students along with 6 faculty members were keen to understand the milk processing, curd making, making of butter and dhoodh peda in the facility. The plant processes a varied range of milk and by-products of milk. in different sizes in the unit.

The students started from the college at 10:45AM and reached the unit by 11:15AM. The students were received by the production manager and were briefed about the unit and their activities for 30 minutes followed by answering the questions raised by the students. The students were also explained regarding the target markets and customer locations focused upon by NARMUL.

The students acquired great knowledge about processing of milk and making of other by-products, by the visit. The faculty and students thanked the management and concerned personnel and reached back to the college by 2 PM.
