1. ABOUT SCHOOL OF MANAGEMENT SCIENCES

The School of Management Sciences was established in the year 2009 with an aim to develop next generation leaders in the management. Department is headed by Dr.T.Ravindra Reddy. The School guiding factors are inspired by internationally accepted values and practices. Faculty of SoMS posses untiring and pleasing commitment to the following values that NNRG has always believed to be very near to success .Students have the opportunity to engage their minds with a distinguished faculty to develop their analytical skills since the school consider this as critical in understanding management in the contemporary environment.

In addition to the theory sessions, the SoMS encourages and supports MBA Students to gain practical knowledge through internships in industries, Industrial visits and case studies. Management student's association-Kautilyan club is formed to bring out students hidden talents in Marketing, HR and Finance areas and to exhibit their leadership qualities.

MBA at NNRG provides rich learning environment with modern labs and digital class rooms. SoMS believes that besides excellence academic inputs, the students need to be properly groomed to be ready for a successful career in industry, for which exclusive training is provided on communication, aptitude and soft skills.

2. DEPARTMENT EVENTS

2.1 Management Club Activity

Situation Analysis Activity was organized as part of the MBA program, as it encourages the students in critical thinking, resource management, and teamwork, fostering leadership skills. It can highlight the impact of decisions on various aspects such as finance, operations, and human resources. Ultimately, this type of game serves as an interactive learning platform for honing business strategy and problem-solving abilities.

2.2 Workshop

The School of Management Sciences, Nalla Narasimha Reddy Education Society's Group of Institutions, organized a Workshop on Power BI in association with the Magic Bus AI Foundation (Funded by Infosys Technologies), Hyderabad on 1st July 2026 at 10:00 AM in the MBA Seminar Hall.

Objectives of the Workshop:

- To introduce students to the fundamentals of Microsoft Power BI and Business Intelligence.
- To understand the importance of data analytics in modern business organizations.
- To provide hands-on experience in importing and managing data from multiple sources.
- To teach students the process of cleaning and transforming data using Power Query Editor.
- To explain different data visualization techniques available in Power BI.
- To enable students to create professional dashboards and reports.
- To introduce basic Data Analysis Expressions (DAX) for calculations and business analysis.
